What Should I Believe? Dorothy Rowe, 2012-05-23 Suddenly in the twenty first century religion has become a political power It affects us all whether we're religious or not If we're not in danger of being blown up by a suicide bomber we've got leaders to whom God speaks ordering them to start a war We're beset by people who demand that we give ourselves to Jesus while they smugly assure us of their own superiority and inherent goodness We're surrounded by those who noisily reject science while making full use of the benefits science brings by the spiritual ones the ones who believe in magic and there's the militant atheists berating us all for our stupidity We wouldn't object to what people believed if only they'd keep it to themselves We want to make up our own minds about what we believe but it's difficult to do this Everyone has to face the dilemma that we all die but no one knows for certain what death actually is Is it the end of our identity or a doorway to another life Whichever we choose our choice is a fantasy that determines the purpose of our life If death is the end of our identity we have to make this life satisfactory whatever satisfactory might mean to us If it is a doorway to another life what are the standards we have to reach to go to that better life All religions promise to overcome death but there's no set of religious or philosophical beliefs that ensures that our life is always happy and secure Moreover for many of us what we were taught about a religion severely diminished our self confidence and left us with a constant debilitating feeling of guilt and shame Through all this turmoil comes the calm clear voice of eminent psychologist Dorothy Rowe She separates the political from the personal the power seeking from the compassionate She shows how if we use our beliefs as a defence against our feelings of worthlessness we feel compelled to force our beliefs on to other people by coercion or aggression However it is possible to create a set of beliefs expressed in the religious or philosophical metaphors most meaningful to us which allow us to live at peace with ourselves and other people to feel strong in ourselves without having to remain a child forever dependent on some supernatural power and to face life with courage and optimism

Robins, 2019-02-08 This book is a printed edition of the Special Issue Current Trajectories in Global Pentecostalism Culture Social Engagement and Change that was published in Religions Freedoms, Faiths and Futures Andrew Singleton, Mary Lou Rasmussen, Anna Halafoff, Gary Bouma, 2021-04-08 How do contemporary teenagers experience and understand religious spiritual gender and sexual diversity How are their experiences mediated by where they go to school their faith and their geographic location Are their outlooks materialist religious spiritual or do they have hybrid identities Freedoms Faiths and Futures Teenage Australians on

Religion Sexuality and Diversity offers powerful insight into how teenagers make sense of the world around them Drawing on rich data from a major national study this book creates new ways of understanding the complexity of young people s lives and how school education covering diversity best addresses their world This book argues that school education focused on worldviews is founded on ways of thinking about young people that do not reflect the complexities of Generation Z s everyday experiences of diversity and their interactions with each other It argues that certain kinds of education in schools can play a significant role in developing religious literacy tolerance and positive attitudes to diversity Nana's ballyhoo tattoo

Marthella Venter,2020-04-28 My motto in life is I am not beautiful like you I am beautiful like me If I have to think back to my school days I always think of myself as the queen of the bitches I was a snob deluxe and looked down on other people But I always say but God While I never knew Him during my early years He NEVER left me This is my story how I saw things through my brokenness The purpose of this book is for people to see that our Father can use any ordinary person and that although your life feels normal it is full of His Goodness and Grace My story is how He prepared me for my purpose for which He created me Each of us has a unique purpose so each of us has a unique story As you read my life story look at your own life and see the Goodness and Love of our Father in it You will also be able to see why He created you and how He is preparing you for your purpose For this time this place these people His Hand is in everything before He created everything He had me in mind for my unique purpose as well as for you think about that In my opinion people can sometimes be so super spiritual that they forget to live I know because I was also there Your life is the platform that the Lord uses to prepare you for your purpose it is part of your destiny Life is like a patchwork blanket Some of the pieces are colorful other paper thin and torn some dull and others beautiful with embroidery Wonderfully made and beautiful At first I just wanted to tell you the ugly but as I ve been thinking about my life lately I ve realized that it would be unfair to do so so I decided to tell the good the bad and the ugly And the funny The Lord also gave us a sense of humor and I Luv it There are many good times I think the Lord sometimes giggles when He thinks of my past Hope that you ll enjoy my journey enjoy *Who Stole My Joy?*

Linda Kreh,2021-04-30 *Who Stole My Joy* was written for everyone who finds themselves struggling to stay afloat in this chaotic uncertain and broken world The motivation and inspiration for this book came during my work as a counselor It occurred to me that many people just want to be happy However happy lasts only for a moment Joy lies within the heart at a much deeper level The pursuit of hope and healing begins and ends with Jesus He is the One who will walk with us on the path that leads to joy **Waking Up Dead** Eddie Anders,2017-06-09 In this raw transparent memoir a musician overcomes depression through the testing of his faith and God s glorious intervention Tami Heim President and CEO of the Christian Leadership Alliance *Waking Up Dead* is the true story of suicide divine intervention and a life transformed Author and songwriter Eddie Anders recounts his dark night of the soul when life seemed too hard to continue any longer even though from the outside it looked as if he had it all This is more than a memoir and readers are sure to be hooked as Eddie shares
