The Roosevelts and Their Descendants F. Martin Harmon,2017-08-11 Few families have influenced America like the Roosevelts two presidents from different parties including our longest serving chief executive and the First Lady of the World Born into aristocratic society Theodore Franklin and Eleanor nee Roosevelt shared a commitment to progress and the common good over class Their lives have been the focus of numerous books but their legacy and the extended family they left behind warrant a closer look This book chronicles the Roosevelts and those other Roosevelts a family of individuals always striving to measure up but united by an illustrious past The Tycoon's Very Personal Assistant Heidi Rice,2008-09-01 It was mortifying How had Kate ended up in hotel tycoon Zack Boudreaux s office in nothing but her underwear Zack appeared to assume the worst and Kate could hardly blame him But she had no clothes passport or plane ticket home She would have to hope Zack could help her And he did First with a bathrobe and then with a job She d be at his beck and call as his very personal assistant **A Very Personal Presidency** Hugh Sidey,1968 This is certainly not the first unflattering portrait to be drawn of Our Leader but miraculously Mr Sidey has managed to keep the note of outrage from this series of short sketches chronological reconstructions and personal asides Mr Sidey has sidled around the White House for some time on behalf of Life and Time and while obviously hip on the official and unofficial details of crisis management he is concerned here with communicative processes of Lyndon Johnson not so much in terms of success or failure but as indications of a total personality Sidey seems to be the first in our knowledge to obviate the personal magnetism and power of the President s presence to cut him down without contempt or anger The conclusions are perhaps not new Johnson s managerial technique of man to man persuasion was just not effective on a broad front He failed both to educate and inspire He did not enlighten he promised He did not inspire he promised He decided to retire the author reasons because he realized he was in trouble and that his time was up The many public and private views of the President from a supremely happy incognito visit to a bull auction to a grim plodding without visible inspiration through a Malaysia village shade out the portrait Mr Sidey s Bobby bias appears at times but his compassion softens the scrutiny **Madras and Bangalore** India.
