Jacks And Jokers:

All Fall Down Matthew Condon, 2015-10-01 Continuing on from the bestselling true crime stories *Three Crooked Kings* and *Jacks and Jokers* *All Fall Down* follows Terry Lewis as he becomes police commissioner and the era of corruption at the highest levels of the police and government goes on. As the Queensland police become more connected with their corrupt colleagues in Sydney the era of heavy drugs and crime also begins. Tony Murphy and Glen Hallahan two of the original crooked kings become more enmeshed with *The Joke* which is run by bagman Jack Herbert. *All Fall Down* introduces new characters more extraordinary behavior outside the law by the law and along the way it charts the meteoric rise of police commissioner Terry Lewis. But with the arrival of the Fitzgerald Inquiry in the late 1980s many will fall and it's not always the people who should. Once again award winning journalist and novelist Matthew Condon has drawn from unprecedented access to Terry Lewis as well as hundreds of interviews with key players and conspirators to craft the definitive account of the rise and spectacular fall of one man an entire state and over a generation of corruption. **Under a Bad Sun** Paul

Bleakley, 2021-11-01 Why do police officers turn against the people they are hired to protect? This question seems all the more urgent in the wake of recent global protests against police brutality. Historical criminologist Paul Bleakley addresses this by examining a series of intersecting cases of police corruption in Queensland, Australia. The protection and extortion of illegal gambling operators and sex workers were only the most visible features of a decades long pervasive culture of corruption in the state's law enforcement agency. Even more dangerous and far harder to prosecute was the corrupt bargain between the police and the state's conservative government which gave law enforcement free rein to profit from criminalized vice in return for supporting the government's repression and persecution of its political enemies from punk music fans to gay men to left wing protestors. While intimidating members of the political opposition the police also protected friends and allies from criminal prosecution even for offenses as serious as child sex abuse. When journalists and investigators revealed this corrupt bargain in 1987 the premier was forced from office and the police commissioner went to prison. But untangling politics from policing proved and continues to prove far more difficult in societies around the world. This true crime story goes beyond the everyday violations of law and ethics to underscore how central honest equitable policing is to a truly democratic society.

Three Crooked Kings Matthew Condon, 2023-11-28 One of the landmark Australian true crime books with a new introduction following the death of disgraced Police Commissioner Terry Lewis. *Three Crooked Kings* is the shocking true story of Queensland and how a society was shaped by almost half a century of corruption. At its core is Terry Lewis, deposed and jailed former police commissioner. From his entry into the force in 1949, Lewis rose through the ranks becoming part of the so-called Rat Pack with detectives Glen Hallahan and Tony Murphy under the guiding influence of Commissioner Frank Bischof. The next four decades make for a searing tale of cops and killings, bagmen and blackmail and sin and sleaze that exposes a police underworld that operated from Queensland to New South Wales. This gripping book examines the final

pieces of the puzzle unearths new evidence on cold cases and explores the pivotal role that whistleblower Shirley Brifman prostitute and brothel owner played until her sudden death Awarded journalist and novelist Matthew Condon has crafted the definitive account of an era that changed a state and is still reverberating to this day **Navy Medicine** ,2004 *Last Round Arthurs, Vol. 1 (manga)* Taro Hitsuji,2020-09-22 For as long as he can remember Rintarou Magami has been able to do everything perfectly but life as a genius is boring That s why when he hears about a battle to determine King Arthur s successor he decides to have a little fun and join forces with the weakest candidate Luna Artur The only problem Luna already sold her Excalibur for cash As the nighttime battles of swords and sorcery intensify will Rintarou regret backing such an utter scumbag Operation Jungle John Shobbrook,2021-08-03 A gripping blend of memoir true crime and corruption in the tropics In the late 1970s criminal mastermind John Milligan and his associates conspired to import heroin into Far North Queensland via a remote mountain top airdrop In a story that is stranger than fiction it took them three trips through dense jungle to locate the heroin but they only recovered one of the two packages When narcotics agent John Shobbrook took on the investigation of this audacious crime codenamed Operation Jungle his career was on the rise within the Federal Bureau of Narcotics What he discovered unwittingly set in motion a chain of events that not only destroyed his own career but led to the disbanding of the Narcotics Bureau Operation Jungle is a gripping true story about the high cost of truth and the far reaching tentacles of greed and corruption that cross state borders and legal jurisdictions *Last Round Arthurs, Vol. 1 (light novel)* Taro Hitsuji,2019-07-30 I sold my Excalibur for money I in all honesty Rintarou s life is boring as hell If you ask him he was born into this world with too much talent Everything goes too according to plan His way of having fun Joining forces with the weakest candidate Luna Artur in the upcoming battle to become King Arthur s successor and save the world from impending doom The only problem She s the scummiest of scum pawning off her sacred sword and forcing her knight Sir Kay into some seriously skeevy cosplays Or so he thinks until a close encounter with death when her true power astonishes all Make way for an unexpected take on the age old legends of King Arthur Policing Child Sexual Abuse Paul Bleakley,2021-09-15 Policing Child Sexual Abuse provides a historical overview of the evolution of policing child sexual abuse in Queensland tracing a legacy of failure even corruption in the decades leading up to the foundation of Task Force Argos a branch of the Queensland Police Service created in part as a response to criticisms of police shortcomings in this area The book uses archival material as a foundation to trace the shifting approach to policing child sexual abuse CSA from the 1960s when juvenile justice first became a central focus of policing in Queensland to the 2010s at which point Task Force Argos made international headlines for its primary role in bringing major international CSA offenders like Shannon McCoolle Benjamin Warhead Faulkner and Richard Huckle to justice Examining archival material to pinpoint the reasons that CSA was not dealt with effectively in the past the book shows that often these reasons were political unrelated to the policing of CSA at all Policing Child Sexual Abuse stands as a testament to the victims of CSA who have been failed by the system in the past

In addition the book acts as a case study of how a police force with such a negative track record in policing this area was able to correct its path and reform its practices to the point that it could emerge as a world leader in policing CSA Though nominally focused on policing in one Australian state the implications are global with Task Force Argos s work naturally impacting on the CSA investigations of all of its partner agencies both in Australia and internationally Demonstrating how even in contexts where police responses to CSA have been met with significant criticism an opportunity still exists to reject historical failures in favour of a renewed commitment to proactive policing this book will be of great interest to scholars of policing historical criminology and child sexual abuse **Lustres** Anne Parrish,Dillwyn Parrish,1924 **Nobody likes a**
