Schabas,William Schabas,2023 The International Legal Order s Colour Line charts the development of regulation on racism and racial discrimination in international law Outlining landmark resolutions and their development the book challenges the narrative that human rights are a creation of the Global North while demonstrating the decisive contribution of the Global South *The Color of the Snow* Rüdiger Kremer,1992 The Color of the Snow German writer R diger Kremer s first novel is a most unusual and haunting work of art Carefully constructed and elegantly written The Color of the Snow consists of twenty one texts which spiral around the character of Jakob who first appears as a seemingly retarded boy born during World War II The texts include stories a script for a film a radio play a short essay a tour de force of narrative possibilities The twenty one parts are interrelated and form a narrative but their relationship to the story and to each other is intentionally complex they circle Jakob they reflect him in his shifting shapes it begins to appear that he may well be the author of the texts we are reading but what is at the center remains a mystery Mysterious too is the alchemy Kremer employs to create a stunningly moving novel out of intellectual challenges Eighteenth Century Colour Prints ,1906 *Johann Jakob Wettstein's Principles for New Testament Textual Criticism* Silvia Castelli,2020-08-17 In Johann Jakob Wettstein s Principles for New Testament Textual Criticism Silvia Castelli investigates the genesis development and legacy of Wettstein s criteria for evaluating New Testament variant readings Wettstein s guidelines the Animadversiones et cautiones are the first well organized essay on New Testament text critical methodology first published in the Prolegomena to his New Testament in 1730 and republished with some changes in 1752 In his essay Wettstein presents a new text critical method based on the manuscripts evidence and on the critic s judgment Moving away from the authority invested in established printed editions Wettstein s methodology thus effectively promotes and enhances intellectual freedom
