The New Orleans Kitchen Justin Devillier, Jamie Feldmar, 2019-10-29. A modern instructional with 120 recipes for classic New Orleans cooking from James Beard Award-winning chef and restaurateur Justin Devillier. IACP AWARD FINALIST. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW. With its uniquely multicultural, multigenerational, and unabashedly obsessive food culture, New Orleans has always ranked among the world's favorite cities for people who love to eat and cook. But classic New Orleans cooking is neither easily learned nor mastered. More than thirty years ago, beloved Paul Prudhomme taught the ways of Crescent City cooking, but even in tradition-steeped New Orleans, classic recipes have evolved, and fans of what is arguably the most popular regional cuisine in America are ready for an updated approach. With step-by-step photos and straightforward instructions, James Beard Award winner Justin Devillier details the fundamentals of the New Orleans cooking canon, from proper roux making to time-honored recipes such as Duck and Andouille Gumbo, and the more casual Abita Root Beer Braised Short Ribs. Locals, Southerners, and food tourists alike will relish Devillier's modern-day approach to classic New Orleans cooking.

Wacko Hacko Nasser Hashmi, 2014-07-28. Nasser Hashmi's new political thriller sees a tabloid whistleblower expose phone hacking. Tabloid reporter Jamie Parkes has it all: ambition, drive, and charisma. He goes to extreme lengths to make the headlines and doesn't mind getting his hands dirty when pursuing a story. He interprets voice messages, fabricates quotes, and trawls through his web of contacts to find out more about the victims in the 9/11 disaster. But when one of his stories is mysteriously spiked, he begins to question the motives of his flamboyant editor. Warren Fitton treats phone hacking and corruption allegations with breathtaking flippancy, which leaves Jamie feeling uncomfortable. Confused by the alterations in his story, he decides to investigate further. He wants to know why his world exclusive was ditched and, more importantly, who is behind it. As he searches for evidence, he soon discovers that he has become the target and is being framed. His whistleblower status turns into an epic battle for survival as the state police and media hunt him down. Once a seasoned reporter but now a wanted man, Jamie Parkes becomes the scapegoat for discrediting the tabloid empire. Wacko Hacko is a political thriller loosely based on the phone hacking saga.
