## Kodanshas Effective Japanese Usage Dictionary:

Joyce Yumi Mitamura, Yasuko Kosaka Mitamura, 1997 This approach to learning the basic components of kanji demonstrates simply how a finite number of parts combine into a wide variety of characters Everyone agrees that it is possible to learn to speak Japanese in a reasonable amount of time but no one has ever said that about reading and writing it It is widely held that spoken and written Japanese require separate efforts by the student as if these two aspects were in fact distinct languages A first step toward alleviating this situation was taken by Yasuko Mitamura in 1985 with the publication of *Let's Japanese Sentence Patterns for Effective Communication* 2005-09-27 Japanese Sentence Patterns for Effective Communication presents 142 essential sentence Patterns for everyday conversation all that is needed to get by in most uncomplicated social situations These patterns represent the basic building blocks of sophisticated speech and are mastered by all intermediate students Each is given first in the form of a full length English sentence so that one can quickly understand its meaning and intent then is followed by a Japanese translation a short precise explanation several example sentences and a practice section that allows one to test one's comprehension By familiarizing oneself with these patterns and practicing them out loud and inventing new sentences with them one will quickly gain the skills necessary to effectively communicate one's thoughts in Japanese With page after page of sentence pattern practice and straightforward explanations of grammar this book is ideal for ambitious beginning level students who wish to up their oral proficiency quickly But it will also usefully serve intermediate and advanced students in need of solid review material or anyone with an interest in the workings of the Japanese language

BOOK JACKET Kodansha's Dictionary of Basic Japanese Idioms Jeffrey G. Garrison, 2002 Kodansha's Dictionary of Basic Japanese Idioms is a Kodansha International publication **Japanese Core Words and Phrases** Kakuko Shoji, 2015-08-19 Some Japanese words and phrases even though they lie at the core of the language forever elude the student's grasp They are not explained satisfactorily in dictionaries or textbooks for the simple reason that they cannot be conveniently defined Japanese Core Words and Phrases brings these recalcitrants to bay The book is divided into two parts each of which is arranged in alphabetical order The first part is devoted to words indicating physical as well as psychological distance roughly equivalent to this that over there and where but quite different in usage Physical distance is covered in most textbooks but psychological distance every student's nemesis is not The second part of the book covers a variety of idiomatic expressions many of which appear in Japanese proficiency tests Each entry word or phrase is not simply explained but exemplified in sentence form clarifying its meaning in the case of many students for the very first time Japanese Core Words and Phrases has a great deal to offer the beginning student and much to offer the intermediate student Little more can be asked of a book on the Japanese language Previously published in the Power Japanese series as Core Words and Phrases Things You Can't Find in a Dictionary **The Kodansha Kanji Synonyms Guide** Jack Halpern, 2018-02-06 A groundbreaking bilingual kanji thesaurus that provides intermediate and advanced level

A real manga real Japanese study guide and resource for language students and teachers      The Kodansha Kanji Learner's Course Andrew Scott Conning,2013-12-06 The Kodansha Kanji Learner s Course is an innovative and highly effective system for learning and remembering kanji or Sino Japanese characters The book contains 2 300 character entries including all 2 136 Joyo Kanji regular use kanji plus 164 of the most useful non Joyo Kanji It offers a sophisticated pedagogically sound method for remembering the basic meaning s of each character conveniently summarized in concise keywords to facilitate memorization Each kanji is accompanied by an explanation of how to remember its meaning s clearly and distinctly These mnemonic explanations teach you to associate each kanji s graphical form with its unique range of meaning often by seeing its meaning in the form of the kanji itself An outstanding feature of the course is the special attention it gives to the challenge of learning each kanji in a differentiated way This allows you to associate the meaning of each character with the features that distinguish it from graphically similar characters Another unique feature and a significant breakthrough in kanji pedagogy is the sequence in which the course introduces kanji Most kanji dictionaries and textbooks arrange their entries in ways that do not address the needs of non native learners such as by traditional radical or by the grades in which the kanji are taught in Japanese schools The Kodansha Kanji Learner s Course uses an original sequence that presents graphically related characters one after the other to help you give significance to their contrastive features as you learn them and thereby avoid having to relearn them later It also introduces the meaning and usage of each graphical element each kanji building block the first time it appears thus enabling you to seamlessly and rapidly acquire new characters In short The Kodansha Kanji Learner s Course makes learning and remembering kanji easier than ever before This book fills an urgent need for a timesaving yet sophisticated kanji learning system that can be used from beginning through advanced levels an enjoyable no nonsense path to proficiency It is intended for anyone serious about learning to read Japanese Features Includes 2 300 kanji entries Completely up to date includes all the 2 136 officially prescribed Joyo Kanji kanji for regular use Each entry explains how to remember the character s meaning clearly and distinctly often through the innovative use of visualization and concrete imagery Introduces kanji components in a logical step by step order that makes learning new kanji easier than ever Can be used as a stand alone resource or together with The Kodansha Kanji Learner s Dictionary Includes cross references character meanings readings and sample vocabulary from the dictionary      *A Dictionary of Japanese Loanwords* Toshie M. Evans,1997-05-28 Recent studies report that Japanese is the second most productive source of new loanwords to English Such studies indicate that English speaking countries are paying more attention to Japan than ever before This dictionary lists and defines hundreds of terms borrowed from Japanese that are now used in English language publications Entries provide variant spellings pronunciation etymological information definitions and illustrative quotations

These quotations were collected from books newspapers magazines novels texts advertisements and databases published or distributed in the United States between 1964 and 1995 When countries engage in a significant amount of commercial or cultural contact they frequently borrow words from each other's language These loanwords are assimilated to varying degrees and show how one country gains exposure to another country's culture Recent studies report that Japanese is the second most productive source of new loanwords to English showing that English speaking countries are paying more attention to Japan than ever before This dictionary includes entries for hundreds of Japanese terms now used in English language publications Included are terms from art and architecture medicine and the sciences business and education philosophy and religion and numerous other fields Entries provide definitions pronunciations variant spellings etymological histories and illustrative quotations These quotations were collected from books newspapers magazines novels texts advertisements and databases all of which were published or distributed in the United States between 1964 and 1995 While the volume is a valuable guide to the meaning and assimilation of particular loanwords it is also a fascinating chronicle of how certain elements of Japanese culture have strongly influenced American civilization

**Using Japanese Synonyms** A. E. Backhouse, 2016-06-16 Being a successful speaker of a given language involves control of the meaning and use of vocabulary items taking in their lexical content what phenomena they refer to combinatorial behaviour what items they occur with and situational characteristics e.g. as colloquial or formal terms This essential reference book provides clear information on these aspects for around three hundred groups of Japanese near synonyms supplemented by a wide range of authentic examples The result is a clear profile of the meaning and use of each item highlighting similarities and distinctions among neighbouring terms and expanding learners' lexical range The book is designed primarily for English speaking learners and the selection of groups and items and the overall treatment adopted reflects the author's extensive experience in teaching Japanese to English speakers Japanese forms and examples appear in both romanisation and Japanese orthography and the bilingual indexes allow readers to locate synonyms quickly and easily

*Walford's Guide to Reference Material: Generalia, language and literature, the arts* Albert John Walford, Marilyn Mulla, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories
