The Economic and Social Impacts of E-Commerce Lubbe, Sam,2002-07-01 E Commerce has brought about many

changes in organizations and has had significant impacts on the quality of life that is experienced by individuals or even indirectly as members of society. The need to have fast and efficient information on products is crucial to our socially conscious and technologically dependent society; hence, information technology has increased the intolerable burden of handling the increasing amount of information and human errors which the society is expected to contend with. The Economic and Social Impacts of E Commerce addresses issues associated with the advent of e commerce and its significance within society.
