

The Complete Official MGB: 1962-1974

480 pages, 650 illustrations

This manual was prepared in close cooperation with British Leyland Motors in order to provide complete, authentic and up-to-date maintenance and repair information. The Driver's Handbook, which comprises the first part of this manual, is the handbook provided with every new MGB. The Workshop Manual, which comprises the second—and largest—portion of this manual, is the official factory manual. This manual contains emission control information that applies specifically to MGBs manufac-
