Emma "Annotated and Illustrated Book" Jane Austen, 2020-03-30 Emma Woodhouse has the world at her fingertips She is young pretty and smart she also happens to be the reigning queen of her village's social scene Emma lives in Highbury a small town about sixteen miles outside of London with her aging father Mr Woodhouse loves Emma but he is utterly unable to offer her any guidance which is perhaps why Emma doesn't seem to have any sense of her own limitations Life seems pretty sweet if a bit boring and so Emma decides to spice things up by taking on a protégé Harriet Smith Even though Emma is determined never to marry herself she immediately decides to find Harriet a husband Determined to make Harriet into a gentlewoman Emma sets out to refine Harriet's tastes especially in men She convinces Harriet to dump Robert Martin the young farmer who likes her and set her sights on the town's clergyman Mr Elton Unfortunately Mr Elton turns out to be in love with Emma or at least with Emma's money After the Mr Elton debacle Emma thinks that she's learned her lessons in matchmaking Luckily for us if not for Harriet she hasn't

Emma Annotated and Illustrated Book For Children Jane Austen, 2020-08-26 The real evils indeed of Emma's situation were the power of having rather too much her own way and a disposition to think a little too well of herself The narrator opens the novel by introducing us to Emma Woodhouse a girl endowed with some of the best blessings of existence including good looks intelligence riches and an affectionate father Emma's only disadvantages are that she is slightly spoiled and that she thinks a little too well of herself Emma's mother died before Emma could form many memories of her but her gentle governess Miss Taylor provided a motherly love After Emma's older sister Isabella was married and moved to London Miss Taylor and Emma became best friends As the novel begins Miss Taylor has just left Hartfield the estate of Emma and Mr Woodhouse to marry a widower named Mr Weston and Emma is left without a companion She attempts to comfort her despondent father who hates change with the thought that they will see the new Mrs Weston often but Emma only partially succeeds in comforting herself At this moment neighborhood resident Mr Knightley the brother of Isabella's husband pays a visit having returned from visiting their mutual relations in London He affirms the appropriateness of the match between Mr Weston and Miss Taylor and gently chides Emma when she claims credit Emma declares that she will repeat her matchmaking success by finding a wife for Mr Elton the village rector
