20 Ways to Increase Your Psychic Abilities John Russell, 2023-07-30 John's third book, *20 Ways to Increase Your Psychic Abilities*, is a series of practical how-to lessons in psychic development that will take you by the hand and walk you step by step through the learning process as you discover how to successfully learn and practice psychometry, accurately interpret your dreams, begin to understand and read the Tarot cards, safely conduct your own seance, practice effective candle magic, make your own amulets and talismans, practice healing, record spirit voices, attract the perfect mate, and much more. As an internationally known professional psychic, John is frequently asked by his worldwide clientele, "How can I develop my own psychic abilities?" In response to those requests, John has authored this book to help anyone to increase their own psychic powers and to apply those powers in practical ways in order to better their lives and the lives of others. The reader doesn't have to have any psychic knowledge or training to be able to use this book right away. The complete beginner can begin with the first chapter and learn to practice psychometry successfully and then proceed through the book and learn other exciting, entertaining, and useful techniques. And someone with above average psychic abilities and understanding may still find some useful theory and knowledge that they can apply as well as new food for thought. From the foreword written by JV Johnson, Ghost Hunters TV show Host, Paranormal IRL, Beyond Reality, The Independence Gang publisher, editor of TAPS Para magazine: In *20 Ways to Increase Your Psychic Abilities*, John offers the same guidance for any who look to broaden their spectrum of understanding. John presents a straightforward and eye-opening approach to unleashing your psychic potential. As he says, "like all things, practice and consistency is key." You will find him to be an inspiration, as I have for the years I have known him. And even though you may not have the chance to meet John personally through his books and his words, you will find in him, as I did, a true friend. JV Johnson. John Russell has been a
