**What Hangs in the Balance** Philippe Johnson, 2025-01-07 The actions or inactions of elected and appointed leaders determine whether the people they serve flourish or suffer What hangs in the balance is not just quality of life but often life itself Unprincipled and unethical leadership puts at risk mission accomplishment good governance public trust in democratic institutions national security and even the rule of law Over the course of Philippe Johnson's twenty four year career as a United States Air Force officer he learned to appreciate how flawed and ineffective leaders can still provide valuable lessons for all of us His thorough and candid analysis of Donald Trump's social media posts and conduct as president and how they were an aberration in both style and substance sets a foundation for leaders to embrace and implement myriad leadership traits and competencies required for success in public and private sector organizations Rather than criticizing specific policies Johnson's analysis focuses on leadership evaluation and practical imperatives for embracing each of the competencies Including insights from contributing subject matter experts and the wisdom of contemporary and historical luminaries Johnson provides a fascinating and sobering leadership critique in which readers will Discover why character traits such as humility empathy respect for dignity and self control matter in every arena and bolster crucial leadership competencies Appreciate how one's fundamental leadership responsibilities promote core

values and defend democratic principles and institutions Take away positive examples of seeking counsel and expertise that support sound decision making Understand how trust and accountability are fostered through disciplined and ethical behavior Experience and benefit from real world examples of what not to do while also being inspired by recent examples of courageously selfless leadership Differentiate between principled and unprincipled loyalty while countering undue influence and abuse of authority Experience behaviors associated with three personality disorders that undermine selfless leadership and create toxic workplaces A nation's citizens need and deserve exceptional leadership By providing guidelines for principled ethical competent and courageously selfless leadership What Hangs in the Balance leaves readers well poised and inspired to positively and profoundly impact the lives of those they serve **Here We Go Again** Mark D. West, 2024-05-20

America is broken Dissension anger and hopelessness all describe the political feelings of many Americans Families and friendships are fractured Our struggles seem to grow worse with each new election as we hear the same old hype This is the most important election of our lifetimes These realities apply to Christians and non Christians alike Yet aren't Christians supposed to offer hope Sadly there's little evidence that Christians have the answers for America's struggles But there is hope In *Here We Go Again* an old approach is revisited Christians are reminded of an unconventional way of living one that Jesus and his disciples taught and modeled for Christians to follow In thought provoking ways *Here We Go Again* practically applies the truth of Scripture to many of today's most pressing political questions Should a Christian vote for the lesser of two evils Is Christianity's goal to transform culture or to Make America Great Again How should a Christian treat his political enemies Can your vote thwart God's will And more In *Here We Go Again* you will be challenged to realize that much of what you have been conditioned to believe might be at odds with Scripture **American National Identity** Anna Islentyeva, Igor Tolochin, 2024-12-20

This book offers an analytical tool for identifying and analysing the linguistic mechanisms that shape American national identity in public discourses Drawing on methods from critical discourse analysis and corpus linguistics the authors provide insights into various levels of discourse structures consider the social and political climate of the US at different stages of its history trace the diachronic development of the linguistic patterns that shape the American national identity and conduct a thorough discursive analysis of seminal texts such as The Declaration of Independence and the Preamble to the US Constitution This book defines the key linguistic markers of the American national identity and provides an insight into how these markers are used to promote various ideologies in the pluralistic world of the contemporary USA This monograph will be of interest to students and scholars working in fields such as Applied Linguistics Critical Discourse Studies Cultural Studies US History and Politics *On the Brink* Rod Parsley, 2008-07-27

*Home Fronts* Lora Romero, 1997 Book on domesticity in literature     [America Aflame](#) David Goldfield, 2011-03-15 In this spellbinding new history David Goldfield offers the first major new interpretation of the Civil War era since James M McPherson's *Battle Cry of Freedom* Where past scholars have limned the war as a triumph of freedom Goldfield sees it as America's greatest failure the result of a breakdown caused by the infusion of evangelical religion into the public sphere As the Second Great Awakening surged through America political questions became matters of good and evil to be fought to the death The price of that failure was horrific but the carnage accomplished what statesmen could not It made the United States one nation and eliminated slavery as a divisive force in the Union The victorious North became synonymous with America as a land of innovation and industrialization whose teeming cities offered squalor and opportunity in equal measure Religion was supplanted by science and a gospel of progress and the South was left behind Goldfield's panoramic narrative sweeping from the 1840s to the end of Reconstruction is studded with memorable details and luminaries such as Harriet Beecher Stowe Frederick Douglass and Walt Whitman There are lesser known yet equally compelling characters too including Carl Schurz a

German immigrant warhero and postwar reformer and Alexander Stephens the urbane and intellectual vice president of the Confederacy America Aflame is a vivid portrait of the fiery trial that transformed the country we live in The Road to Dawn Jared A. Brock, 2018-05-15 A major literary moment after being lost to history for more than a century The Road to Dawn uncovers the incredible story of the real life slave who inspired Uncle Tom's Cabin He rescued 118 enslaved people He won a medal at the first World's Fair in London Queen Victoria invited him to Windsor Castle Rutherford B Hayes entertained him at the White House He helped start a freeman settlement called Dawn that was known as one of the final stops on the Underground Railroad He was immortalized in Harriet Beecher Stowe's Uncle Tom's Cabin the novel that Abraham Lincoln jokingly blamed for sparking the Civil War But before all this Josiah Henson was brutally enslaved for more than forty years Author filmmaker Jared A Brock retraces Henson's 3 000 mile journey from slavery to freedom and re-introduces the world to a forgotten figure of the Civil War era along with his accompanying documentary narrated by Hollywood actor Danny Glover The Road to Dawn is a ground breaking biography lauded by leaders at the NAACP the Smithsonian senators authors professors the President of Mauritius and the 21st Prime Minister of Canada and will no doubt restore a hero of the abolitionist movement to his rightful place in history

**Reaping Something New** Daniel Hack, 2019-11-12 How African American writers used Victorian literature to create a literature of their own Tackling fraught but fascinating issues of cultural borrowing and appropriation this groundbreaking book reveals that Victorian literature was put to use in African American literature and print culture in the nineteenth and early twentieth centuries in much more intricate sustained and imaginative ways than previously suspected From reprinting and reframing The Charge of the Light Brigade in an antislavery newspaper to reimagining David Copperfield and Jane Eyre as mixed race youths in the antebellum South writers and editors transposed and transformed works by the leading British writers of the day to depict the lives of African Americans and advance their causes Central figures in African American literary and intellectual history including Frederick Douglass Frances Ellen Watkins Harper Charles Chesnutt Pauline Hopkins and W E B Du Bois leveraged Victorian literature and this history of engagement itself to claim a distinctive voice and construct their own literary tradition In bringing these transatlantic transfigurations to light this book also provides strikingly new perspectives on both canonical and little read works by Charles Dickens George Eliot Tennyson and other Victorian authors The recovery of these works African American afterlives illuminates their formal practices and ideological commitments and forces a reassessment of their cultural impact and political potential Bridging the gap between African American and Victorian literary studies Reaping Something New changes our understanding of both fields and rewrites an important chapter of literary history
