Dear Aunt Rita,

Greeting:  
A way to begin the letter

I had a wonderful time visiting you this summer. Swimming in your pool was a lot of fun. I liked your slide and playing Marco Polo with my cousins.

Thank you for taking me to the museum too. That was so thoughtful. I learned so much about the Revolutionary War. I wonder if I would be a Patriot or Loyalist?

Body:  
Personal message

I will never forget my visit with you. I hope to come back next summer! Will you be able to come see us soon? I miss you!

Closing:  
A way to end the letter.

Love,

trolling widely condemned as obscene and deviant actually fits comfortably within the contemporary media landscape Trolling may be obscene but Phillips argues it isn't all that deviant Trolls' actions are born of and fueled by culturally sanctioned impulses which are just as damaging as the trolls' most disruptive behaviors Phillips describes the relationship between trolling and sensationalist corporate media pointing out that for trolls exploitation is a leisure activity for media it's a business strategy She shows how trolls the grimacing poster children for a socially networked world align with social media And she documents how trolls in addition to parroting media tropes also offer a grotesque pantomime of dominant cultural tropes including gendered notions of dominance and success and an ideology of entitlement We don't just have a trolling problem Phillips argues we have a culture problem This Is Why We Can't Have Nice Things isn't only about trolls it's about a culture in which trolls thrive *Becoming an Adoption-Friendly School* Emma Gore Langton, Katherine Boy, 2017-04-21
