Gay Guide To Dallas Texas:

Spartacus International Gay Guide ,2006 **Moon Texas** Andy Rhodes,2017-12-05 Get to know the fiery spirit Southern hospitality and big personality of the Lone Star State Inside Moon Texas you ll find Strategic itineraries for every budget and timeline from a Route 66 road trip to quick getaways to the Hill Country Big Bend National Park and more Unique ideas and can t miss activities Learn the meaning of Texas pride at the Alamo marvel at the original Mission Control at the NASA Space Center or explore JFK s legacy at the Sixth Floor Museum in Dallas Sample authentic smoky barbecue classic Tex Mex staples and down home Southern cooking Catch a show in the Live Music Capital of the World or learn the moves at a honky tonk in Hill Country See the striking sunset over the Palo Duro Canyon stroll along the Padre Island National Seashore or watch a genuine cowboy cattle heard at a classic Texas ranch Honest advice from Austin local Andy Rhodes on when to go where to stay and how to get around Thorough background information on the state s culture history geography and regional vernacular Full color photos and detailed easy to use maps throughout Focused coverage of Dallas and Fort Worth Austin and the Hill Country San Antonio and South Texas Houston and East Texas the Gulf Coast El Paso and West Texas the Big Bend Region and the Panhandle Plains With Moon Texas practical tips and local insight you can plan your trip your way Exploring more of Texas Try Moon Austin San Antonio The Hill Country or Moon Dallas Fort Worth If you re hitting the road check out Moon Southwest Road Trip *Fodor's Gay Guide to the USA.* ,1996 **Who Needs Gay Bars?** Greggor Mattson,2023-05-30 Gay bars have been closing by the hundreds The story goes that increasing mainstream acceptance of LGBTQ people plus dating apps like Grindr and Tinder have rendered these spaces obsolete Beyond that rampant gentrification in big cities has pushed gay bars out of the neighborhoods they helped make hip Who Needs Gay Bars considers these narratives accepting that the answer for some might be maybe nobody And yet Jarred by the closing of his favorite local watering hole in Cleveland Ohio Greggor Mattson embarks on a journey across the country to paint a much more complex picture of the cultural significance of these spaces inside big four gay cities but also beyond them No longer the only places for their patrons to socialize openly Mattson finds in them instead a continuously evolving symbol a physical place for feeling and challenging the beating pulse of sexual progress From the historical archives of Seattle s Garden of Allah to the outpost bars in Texas Missouri or Florida that serve as community hubs for queer youth these are places of celebration where the next drag superstar from Alaska or Oklahoma may be discovered They are also fraught grounds for confronting the racial and gender politics within and without the LGBTQ community The question that frames this story is not asking whether these spaces are needed but for whom earnestly exploring the diversity of folks and purposes they serve today Loosely informed by the Damron Guide the so called Green Book of gay travel Mattson logged 10 000 miles on the road to all corners of the United States His destinations are sometimes thriving sometimes struggling but all offering intimate views of the wide range of gay experience in America POC white trans cis past present and future *Before Lawrence v.*

Texas Wesley G. Phelps,2023-02-07 In 2003 the US Supreme Court overturned anti sodomy laws across the country ruling in *Lawrence v Texas* that the Constitution protects private consensual sex between adults To some the decision seemed to come like lightning from above altering the landscape of America s sexual politics all at once In actuality many years of work and organizing led up to the legal case and the landmark ruling might never have happened were it not for the passionate struggle of Texans who rejected their state s discriminatory laws Before *Lawrence v Texas* tells the story of the long troubled and ultimately hopeful road to constitutional change Wesley G Phelps describes the achievements setbacks and unlikely alliances along the way Over the course of decades and at great risk to themselves gay and lesbian Texans and their supporters launched political campaigns and legal challenges laying the groundwork for *Lawrence* Phelps shares the personal experiences of the people and couples who contributed to the legal strategy that ultimately overturned the state s discriminatory law Even when their individual court cases were unsuccessful justice seekers and activists collectively influenced public opinion by insisting that their voices be heard Nine Supreme Court justices ruled but it was grassroots politics that vindicated the ideal of equality under the law

Global Gay Frederic Martel,2019-05-14 A panoramic view of gay rights gay life and the gay experience around the world In *Global Gay* Fr d ric Martel visits more than fifty countries and documents a revolution underway around the world the globalization of LGBT rights From Saudi Arabia to South Africa from Amsterdam to Tel Aviv from Singapore to the United States activists culture warriors and ordinary people are part of a movement Martel interviews the proprietor of a gay friendly caf in Amman Jordan a Cuban American television journalist in Fort Lauderdale Florida a South African jurist who worked with Nelson Mandela to enshrine gay rights in the country s constitution an American lawyer who worked on the campaign for marriage equality an Egyptian man who fled his country after escaping a raid on a gay club and many others He tells us that in China homosexuality is neither prohibited nor permitted and that much Chinese gay life takes place on social media that in Iran because of the strict separation of the sexes it seems almost easier to be gay than heterosexual and that Raul Castro s daughter a gay rights icon in Cuba expressed her lingering anti American sentiments by calling for Pride celebrations in May rather than June Ten countries maintain the death penalty for homosexuals Homophobia is what Arab governments give to Islamists to keep them calm one activist tells Martel Martel finds that although the gay American way of life has created a global template for gay activism and culture each country offers distinctly local variations And around the world the status of gay rights has become a measure of a country s democracy and modernity This English edition which has been thoroughly revised and updated has received the French Voices Award for excellence in publication and translation supported by a grant from the French American Book Fund

American Left Rhodri Jeffreys-Jones,2013-10-25 No detailed description available for *The American Left*

Compton, Amy L.

Stone, 2024-04-30 **Outskirts** is an edited volume from sociology scholars that addresses the complexity of the queer experience in diverse spaces places and identities in the United States **Planning and LGBTQ Communities** Petra L. Doan, 2015-03-24 Although the last decade has seen steady progress towards wider acceptance of lesbian gay bisexual transgendered and queer LGBTQ individuals LGBTQ residential and commercial areas have come under increasing pressure from gentrification and redevelopment initiatives As a result many of these neighborhoods are losing their special character as safe havens for sexual and gender minorities Urban planners and municipal officials have sometimes ignored the transformation of these neighborhoods and at other times been complicit in these changes **Planning and LGBTQ Communities** brings together experienced planners administrators and researchers in the fields of planning and geography to reflect on the evolution of urban neighborhoods in which LGBTQ populations live work and play The authors examine a variety of LGBTQ residential and commercial areas to highlight policy and planning links to the development of these neighborhoods Each chapter explores a particular urban context and asks how the field of planning has enabled facilitated and or neglected the specialized and diverse needs of the LGBTQ population A central theme of this book is that urban planners need to think beyond queer space because LGBTQ populations are more diverse and dispersed than the white gay male populations that created many of the most visible gayborhoods The authors provide practical guidance for cities and citizens seeking to strengthen neighborhoods that have an explicit LGBTQ focus as well as other areas that are LGBTQ friendly They also encourage broader awareness of the needs of this marginalized population and the need to establish more formal linkages between municipal government and a range of LGBTQ groups **Planning and LGBTQ Communities** also adds useful material for graduate level courses in planning theory urban and regional theory planning for multicultural cities urban geography and geographies of gender and sexuality
