Goodbye Crisis, Hello Success RODCAS EDITORIAL, 2022-11-14 When I began to design this little book in my mind I imagined it as a validated sustainable and applicable reference tool for the daily life of my readers in it I use a very personal direct and objective language focusing more on the solutions than in problems and always trying to use simple examples This book is an invitation for you to analyze with me the characteristics of various crises the ways to address them and overcome them especially the dreaded economic crisis Goodbye Crisis Hello Success in essence is a realistic book where no magical solutions will be proposed but serious and proven formulations I hope that this is a pleasant read that you turn to these lines in search of solutions and that it is a respite for you in the midst of the storm Believe me every word was written with love enjoy this moment give yourself the time to digest everything and reflect as many times as necessary Getting into the matter a statement that I believe will be a fundamental pillar in what will come next is the following Although money helps solve many problems money cannot help you overcome a crisis why do I mention it because honestly I was one of the people who believed that money was the solution for everything words more words less Look it doesn't matter what kind of crisis you find yourself in injecting more money into an economic crisis will not solve the root problem money alone will not help you overcome an emotional or anxiety crisis it will sound like a cliché but I believe that the most powerful instrument for overcoming is yourself that is the executor or executor of the resources of your life time energy passion money enthusiasm etc You will start a hard and difficult journey that few people start and even fewer people finish it Take heart The result is worth it

Goodbye Good Girl, Hello Me Kasey Edwards, 2025-03-04 A Good Girl is acutely aware of everyone's emotional state Except her own She was praised for not being difficult like other girls She must never get too big for her boots and must always be grateful So damn grateful She masks her own needs dreams and fears so thoroughly that she loses herself Until one day her smile falters her serenity cracks and a tiny long forgotten voice dares to whisper What about me And then all hell will break loose Kasey Edwards bestselling author of Raising Girls Who Like Themselves has helped thousands of families bring up kids to believe in themselves She decides it's time to apply her research and strategies to herself Her journey of learning to like herself unpicks the worth crushing beliefs taught to girls But it's not just Kasey's story It's about all of us Raw irreverent and deeply relatable Kasey dares to voice what many women think but few say out loud This poignant memoir will confirm what you've long suspected that you deserve more And it will show you how to rediscover who you were always meant to be Then you too can say Goodbye good girl hello me
