original murder Nelson now called Thantos got out of prison returned to Portland created a new street family and killed once more Twelve family members were arrested along with him Rene Denfeld spent over a decade following the evolution of street family culture She discovered that contrary to popular belief the majority of these teenagers hail from loving middle class homes Yet they have left those homes to form insular communities with cultish hierarchies codes of behavior languages quasireligions and harsh rules She reveals the extremes to which desperate teenagers will go in their search for a sense of community and builds a persuasive and troubling case that street families have grown among us into a dark reversal of the American ideal The Detective's Quota David Cuomo, Elizabeth Pulido, For many years the Chicago south side

neighborhood was virtually free of crime Every once in awhile someone would commit a burglary or a theft and the police charged with keeping the neighborhood free of crime almost always captured the offender However in the year of 2010 three Bridgeport women were found raped and murdered in an alley adjacent to White Sox Park As such crimes were rare in the area the entire police department fearing for the safety of women went on a massive manhunt for the killer That manhunt took a strange unexpected turn as the evidence the department gathered indicated that one of its own members namely John McBride may have murdered the woman This novel traces the investigation which led to John McBride's arrest and his trial
