portrait through his interviews allowing the authors to speak intimately about the writer's life and how place influences their work and perceptions. In each chapter, Michael sets the scene by describing the writer's surroundings, placing the reader squarely in the locale, whether it be Simon Winchester's Massachusetts, Redmond O'Hanlon's London, or Frances Mayes's Tuscany. He then lets the writer speak about life and the world, and through quiet probing draws out fascinating commentary from these remarkable people. For Michael, it's a dream come true to meet his mentors; for readers, it's an engaging window onto the twin landscapes of great travel writers and the world in which they live.
