Hell Has No Stars A Teen S Struggle With Depression:

Hell Has No Stars Justin A. Mercer, 2014-10-19 *Hell Has No Stars* is the biography of a young man's struggle with depression throughout his teenage years. This story allows the reader a glimpse into the world of a person fighting with depression in hopes of helping others with their struggle. *The Broken Self* Ingrid B. Brouwer, 2014-04-04 Have you ever felt you're not enough? Do you find you're constantly analyzing yourself? Do you continually ask why am I anxious or depressed? Are you tired of seeing therapist after therapist and getting nowhere? Are you sick of the same old self-help books filled with exercises that don't work? Worn out with trying to find the answer to your happiness? Then *Stop Struggling*. The answer is so simple. It lies within yourself. What do you mean within yourself? Where I can't see it. If it's true, I wouldn't be in this mess. I can hear you say. Fortunately, it is true. Why do I say fortunately because the answer is so clear when you discover it. You have just forgotten it by looking for answers externally, always searching but never finding. This book helps you find that one answer, bringing it to your full awareness and embracing it through self-love and acceptance and perhaps for the first time hearing your inner self louder than the demons that haunted you for years. In doing so, you will gain your own power and not the inner critic that has continually plagued you. By losing self-doubt and building self-esteem, you will become the captain and master of your soul, writing your own life script and not some outside influence that doesn't fit with your inner being. Most of all, it is you that will be loved by your own self and stand not so much as tall but as calm and peaceful in your own world that you wish to create and live, ridding yourself of struggle, anxiety, and depression forever. **Teens** Daja Mabry, 2023-02-28

Experience the life of a troubled teen through her poetic eyes, the battles of love and loss, the battles with herself and the confusions within family bonds and betrayal. Follow her on a journey through trauma and curiosity and watch how the impact of maturing strengthened and broke her. Realize the relativity of topics that aren't normally discussed among others. Did you experience this? How did you cope? Can you relate? If so, this book should shed some light on the aspect that you are not alone in this. Isn't it nice to have someone to relate to? **They Died on My Watch** Noel Bailey, 2024-04-26 Who was the actress who died just before Christmas? She was the voice of in *Did Hitler commit suicide or was he shot by Russian troops*? Do you remember what year Princess Diana died in that car crash in Paris? How many husbands did Elizabeth Taylor divorce in her lifetime? What was that well-known British actor who passed away right after David Bowie died? Questions you might hear at the next table of your favourite eatery. Questions you may or may not know the answer to. *They Died on My Watch* can answer these and many more. It is a comprehensive reference work that should prove itself indispensable to any household. Most certainly a book to sustain interest when cruising at 35,000 feet between London and New York. It might be seen as the ultimate umpire to settle any argument that may arise within a discussion involving a deceased celebrity, recent or not.
