Secrets Nicole Edwards, 2022-02-22 The Off the Books Task Force is nearing its one year anniversary While they've successfully closed multiple cases it hasn't been easy Even after the governor dissolved the team they are finding their new home under the umbrella of Sniper 1 Security As with everything the private sector has new challenges for them to tackle such as expanding the team Even as they work to broaden their reach there are still cases to be worked When a partner at an investment firm goes missing Governor Greenwood reaches out for their assistance Putting aside their grudges the team uses their combined skills to unravel the mystery Not only do secrets emerge where the case is

concerned many more are brought to light within the team itself *Missing Pieces* Nicole Edwards,2025-08-19 Brantley Walker and Reese Tavoularis are plunging headfirst into the satisfying chaos of married life Although their preference would be to sit on a beach enjoying umbrella drinks for a week the honeymoon will have to wait With Jessica James treating her hospital stay like an all inclusive spa getaway complete with bed rest and boredom Brantley Reese Baz and the rest of the team are bracing themselves for the inevitable twists and turns ahead Meanwhile Atticus James shares not only the same last name with JJ but also the irritation that comes with monotony He s spending his days sifting through partner applications waiting for the day he ll see some of the action Just when he thinks his excitement levels have hit rock bottom Brantley hands him his first case assignment Only he s not sure he wants it once he learns what it is But if suffering is the name of the game he can think of no better partner in misery and mayhem than Slade Elliott While Atticus and Slade are busy with their detective shenanigans the rest of the team isn t just tuning in to their favorite podcast they re about to dive headfirst into a live episode of Havoc Your Way when the podcast s host stops by But Simon Jennings isn t there to sign autographs He s dropping in with a case that veers dangerously close to home blending the bizarre with the familiar as he seeks their expertise to untangle a web that s both outside their skill set and uncomfortably personal All In Nicole

not when the proof was right in front of her And her curse well it meant that like her mother and older sisters she was

doomed to spend her life pining for a man who would undervalue her Not that she would allow that to happen She d never met a man worth pining for Then Simon Jennings walked into her bookstore Aside from being hot enough to put her brain on the fritz the man was not her type He was one of those nice guys the kind who opened doors and didn t try to cop a feel during a simple goodnight kiss Since the curse ensured nice guys would never fall in love with her Violet knew her best bet was to stay as far from him as she could Too bad Simon didn t get the memo When Simon s charm proves too powerful to resist Violet gives in to the undeniable chemistry After all it s not like she would fall in love with a handsome stranger after one night right

Chase Nicole Edwards,2023-06-27 Volume 1 What twenty four year old recent college graduate would sign up to uncover a secret kink club rumored to be hidden within the walls of a multi billion dollar conglomerate Me Why Well that s easy I ve spent my entire life with my nose to the grindstone doing the right thing focusing on my future and now I m bored which isn t a good thing when you have an insatiable curiosity I probably should ve considered the type of bait needed for a fishing expedition of this magnitude when I applied for the job at Primal Instincts LLC looking to uncover the secret world that exists only on the whispers of those who ve never so much as glimpsed the dark seductive inner workings because those who had wouldn t dare reveal anything Now that I m through the door I ve got my determination and single minded focus to keep me moving forward I will figure it out if for no other reason than to say I did Provided I don t get sidetracked by not one not two but three men who are ridiculously good at keeping secrets Volume 2 I am only one week into my new job at Primal Instincts LLC when I realize super sleuth is not something I will be adding to my resume anytime soon Although I m still on my mission to uncover the truth about the secret kink club I suspect exists and is somehow tied to my employer I find myself with more pressing things to deal with than solving that mystery Between balancing the work assignment I ve been given and the change in my current dating status the only time I have left is spent dealing with a dominating manipulative not to mention sexy man who has me in his crosshairs Unfortunately the aforementioned dominating man starts the dominoes falling when his manipulation puts me in a vulnerable position It s crazy what can happen in a week Volume 3 To say things have gotten complicated with the men in my life would be an understatement My mission to discover the secret kink club has been put on hold but not because I m distracted by the three men plaguing my thoughts and dreams Not only because of them anyway They are certainly responsible for keeping my attention away from my goals However my main concern is the man blackmailing me with a video I d prefer isn t seen by the public That man has given me an ultimatum and I have a decision to make an important one But for the moment Creed Hawk and Garrison are doing their best to keep my mind off my problem and they have a proposition for me One that will effectively shift my focus yet again Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same
