Istanbul In Womens Short Stories:

Istanbul in Women's Short Stories Hande Ögüt, 2012 Istanbul is the cornerstone of this culturally significant collection of short stories written exclusively by women. Ranging from ancient Constantinople to the modern capital of Turkey, these 27 short stories show the colorful traces of the people that have lived in that city throughout the ages. Highlighting the rich historical, political, and cultural accents of the city, this compilation provides a unique perspective about this fascinating and global metropolis.

Women in Turkish Society Abadan-Unat, Kandiyoti, Kiray, 2020-11-23 [Women and Gender in Central and Eastern Europe, Russia, and Eurasia](#) Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans. Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium. The coverage encompasses the relevant territories of the Russian, Hapsburg, and Ottoman empires, Germany, and Greece, and the Jewish and Roma diasporas. Topics range from legal status and marital customs to economic participation and gender roles, plus unparalleled documentation of women writers and artists and autobiographical works of all kinds. The volumes include approximately 30,000 bibliographic entries on works published through the end of 2000, as well as web sites and unpublished dissertations. Many of the individual entries are annotated with brief descriptions of major works, and the tables of contents for collections and anthologies. The entries are cross-referenced, and each volume includes indexes.

Writing in Red Nergis Ertürk, 2024-05-21 The republic of Turkey and the Soviet Union both emerged from the wreckage of empires surrounding World War I, and pathways of literary exchange soon opened between the two revolutionary states. Even as the Turkish government pursued a friendly relationship with the USSR, it began to persecute communist writers. Whether going through official channels or fleeing repression, many Turkish writers traveled to the Soviet Union during the 1920s and 1930s, publishing original work, editing prominent literary journals, and translating both Russian classics and Soviet literature into Turkish. *Writing in Red* traces the literary and exilic itineraries of Turkish communist and former communist writers, examining revolutionary aesthetics and politics across Turkey and the Soviet Union from the mid-1920s through the 1960s. Nergis Ertürk considers a wide range of texts spanning genres such as erotic comedy, historical fiction, and film, and socialist realist novels and theater by writers including Nâzım Hikmet, Vâzî Nureddin Nizâmîtin, Nazif Suat Dervî, and Abidin Dino. She argues that these works belong simultaneously to modern Turkish literature, a transnational Soviet republic of letters, and the global literary archive of world revolution, alongside those of other writers who made the magic pilgrimage to Moscow. Exploring how Turkish communist writers on the run produced a remarkable transnational literature of dissent, *Writing in Red* offers a new account of global revolutionary literary culture.

A Social History of Late Ottoman Women Duygu Köksal, Anastasia Falierou, 2013-10-10 In *A Social History of the Late Ottoman Women: New Perspectives*, Duygu Köksal and Anastasia Falierou bring together new research on women of different

geographies and communities of the late Ottoman Empire Making use of archives literary works diaries newspapers almanacs art works or cartoons the contributors focus particularly on the ways in which women gained power and exercised agency in late Ottoman Empire and early Republican Turkey The articles convincingly show that women s agency cannot be unearthed without narrating how women were involved in shaping their own and others lives even in the most unexpected areas of their existence The women s activities described here do not simply reflect modernizing trends or westernizing attitudes or their defensive denial They provide an array of local responses where the local can never be found and should never be conceptualized in its initial unchanged or authentic state **Women of Sufism** Camille Adams

Helminski,2003-02-25 This collection of Sufi poetry and songs is an inspiring source to deepen our knowledge of Sufism by the examples and teachings of beautiful and wise Sufi women Sufism The luminous presence of women who follow the Sufi Way the mystical path of Islam is brought to life here through their sacred songs and poetry their dreams and visions and stories of their efforts as they witness the Truth in many realms These writings reflect the honor and respect for the feminine in the Sufi worldview and they are shared in the spirit of inspiration and hope for the flourishing contributions of women to the spiritual development of humanity Spanning the centuries from the time of the Prophet Muhammad to the present day the selections are by or about an array of Sufi traditions in different parts of the world from Asia Africa and the Middle East to Europe and America from beloved members of the Prophet s family to the mystic Rabi a al Adawiyya to the modern scholar Annemarie Schimmel Biographical anecdotes and personal memoirs provide a glimpse into the experience of great saints and contemporary practitioners alike while providing an introduction to the principles and practices of Sufism **Anthology of**

Turkish Science Fiction Stories Sümeyra Buran ,Veli Uğur,2023-12-21 Turkish science fiction dates back to the early years of the twentieth century and serious development has been seen ever since The writers who escaped from the darkness of the First World War and took refuge in utopian science fiction added the excitement created by science and technology to their texts over time Turkish writers who followed the science fiction works from the West and made efforts for the development of this genre produced very qualified works that could compete with their contemporaries at some points However due to some historical social and economic problems it was not possible for these works to meet readers in the West In this anthology the works of Turkish science fiction writers are brought together for the first time in English Contemporary science fiction writers have written short stories for this anthology Hence the resulting diversity of stories represents a contribution to science fiction literature An important feature of the anthology is that it includes examples showing how science and technology are perceived philosophically by authors outside of Europe and America Since literature is an indispensable resource to investigate the equivalent of science fiction which was born with modernism in post modern societies This anthology of Turkish science fiction will be an important Non Western SF source for both science fiction readers and researchers Shaping the Field of Translation In Japanese ↔ Turkish Contexts II Ryō Miyashita ,Esin

Wonder Tales in the Fiction of A. S. Byatt Alexandra Cheira, 2023-01-19 This volume provides sustained critical attention on Byatt s wonder tales both the stand alone tales and those which are embedded in the wider frame of a novel or novella In this light it examines Byatt s claim that her wonder tales are modern literary stories and they do play quite consciously with a postmodern creation and recreation of old forms through a revisitation of the wonder tale in a productive dialogue with tradition as an expanded recognition of this fertile creative critical dialogue with regards to the significance of the wonder tale in Byatt s fictional work The book evinces a fresh variety of conceptions and approaches to Byatt s wonder tales some spanning several tales and others focussing on a specific wonder tale all thoroughly observant of the nature and workings of the relationship between story or novel and genre or tale and theoretically informed by innovative critical approaches

Transnational Horror Cüneyt Çakırlar, 2025-01-20 Adopting a multi method critical approach to the global revival of folklore themed horror media Transnational Horror contests Anglophone film scholarship s widespread adherence to its own film historical canons Navigating alternative meanings of folk horror and locating these meanings within a transnational framework the volume proposes a curatorial paradigm of critical transnationalism in the study of global film cultures and genre formations The book proposes an alternative genealogy of horror media a genealogy that decolonises in provincialising the dominant film historical canons associated with the horror genre and contributes to the formation of a transnational field of horror criticism that troubles the normative geopolitics of canonisation in film and genre studies Through diverse accounts of scale and regionality as categorical markers of screen media the contributors to the volume develop critical tools to address the mobility of folk horror as mode and as genre which operates within and beyond the normative registers of national belonging
