Normally the Tropentag takes place annually. However, for reasons that by now have become obvious, the past two years have been particularly challenging. We are therefore delighted that the University of Hohenheim managed to host a hybrid version of the conference from 15 to 17 September 2021. Being a hybrid conference, it was pleasing to note that people did not only gather in one of the lecture theatres at the University of Hohenheim but also in one of the state-of-the-art seminar rooms at the Czech University of Life Sciences in Prague.
