### Annual Report

Sending new opportunities to build a better tomorrow

# 2021

## Message from the Chairperson

### Sachin N. Shah

General Manager, Emerging Markets, Manulife

Dear stakeholders, our 100th anniversary in the Philippines, since 1921, our Philippine business has achieved challenges that have only strengthened our resolve to serve our customers, bringing them peace of mind, leading head-up the industry, and being the catalyst for growth.

I am inspired by the team's focus on embracing customer needs and well-being, as well as our focus on providing better and solutions for stress-free financial security for our customers, especially in the midst of a pandemic.

Manulife has achieved significant milestones and continued our transformation journey since the first digital customer-centric global company in our industry. Since the pandemic hit, our focus quickly shifted to how we can ensure the health and safety of our team and supporting our customers, who needed us more than ever – and we have championed the cause.

### Accelerating forward, embracing the future

With a strong belief that we protect their savings and investments, we ensure protection for their wealth, their financial future and well-being, by ensuring the sustainability of a brand that our customers have built for us to reach further during the difficult times, bringing with us innovation, digital, science, future-ready business – the support and commitment in their time of need.

According to the Manulife Asia Pacific Survey, 9 out of 10 Filipinos have experienced growth in their financial security, as evidenced by the increase in the number of Filipinos who have started saving for their future, as well as the increase in the number of Filipinos who have started investing in the future.

We launched three new fund solutions to cater to the needs of our customers, the Manulife Fund, the Manulife Fund, and the Manulife Fund. Through these new funds, we are able to provide our customers with a more diversified investment portfolio, which is a key to long-term wealth creation.

To help customers in the Philippines protect their investment wealth and secure their future, we introduced the Manulife Fund, a new fund solution that provides a more diversified investment portfolio, which is a key to long-term wealth creation.

To provide our digital capabilities, we made a number of investments in our digital capabilities, which is a key to long-term wealth creation. We are also investing in our digital capabilities, which is a key to long-term wealth creation.

### Transforming with a stronger sense of purpose

The world is changing – and so is our industry, as well as our customer needs. We are seeing unprecedented changes in our industry, and these changes are giving us an opportunity to transform. We are also investing in our digital capabilities, which is a key to long-term wealth creation.

We have a strong commitment to our customers, and we are also investing in our digital capabilities, which is a key to long-term wealth creation. We are also investing in our digital capabilities, which is a key to long-term wealth creation.

Business growth, a strong digital future.
