INTRODUCTION

The information in this Manual describes the operation, adjustments and maintenance of your Allis-Chalmers tractor. It tells you how to "get the job done" — the things you must know to get the most out of your tractor. It tells you how to get the most out of your tractor. It tells you how to get the most out of your tractor. It tells you how to get the most out of your tractor.

Get the most out of your tractor. It tells you how to get the most out of your tractor.

A tractor which is properly maintained gives a longer service life and should be repaired. The maintenance and servicing described in this Manual can all be done with tools commonly available.

Always Observe the safety rules and never leave the tractor under any circumstances to perform a separate function. They have been designed to operate as a unit, and you can do more with your tractor. This Manual will help you, the operator, get the most out of your Allis-Chalmers tractor.

The references to left-hand and right-hand views throughout this Manual refer to the position you would be in the operator's seat, facing forward.

TRACTOR IDENTIFICATION

For prompt, efficient service when ordering parts or requesting repairs at your local Allis-Chalmers dealer, record the complete Serial Numbers in spaces provided.
