Global Business Mahesh Joshi, James R. Klein, 2018-08-09 In the wake of the Brexit vote and the election of Donald Trump globalization has found itself increasingly under the microscope An active international discussion is underway and the ideological viewpoint that the reversal of globalization and a return to protectionism and isolation will cure the world's ills is touted by many In the midst of the growing prominence of international interconnectivity and contradicting attention attained by skewed misinformation about global impact Global Business is a straightforward commentary on mega trends in globalization With insights and observations from academics practitioners and practical thinkers from around the world Global Business demystifies the economic social and cultural impacts of globalism and globalization and presents a balanced explanation of what is happening and how it affects everyone It highlights that technology and change are not new and

explores the path taken to reach our current interconnected global state It encourages a realistic examination of where we are and invites a dialogue on where we can go together Cyberlaw for Global E-business: Finance, Payments and Dispute Resolution Kubota, Takashi, 2007-12-31 Examines cyberlaw topics such as cybercrime and risk management electronic trading systems of securities digital currency regulation jurisdiction and consumer protection in cross border markets and international bank transfers **Arbitration and Renegotiation of International Investment Agreements: A Study with Particular Reference to Means of Conflict Avoidance Under Natural Resources Investment Agreements** Wolfgang Peter, Jean-Quentin de Kuyper, Bénédict de Candolle, 1995-06-08 This book is a second revised edition of the original 1986 publication Since then the issue of contract change has increasingly challenged the business community and legal practitioners The world wide recession may well have accelerated the need to secure contractual relationships by reasonable flexibility Successful foreign investment a relentless challenge is subject to many unpredictable errors Of all these variables however successful investment is most dependent on the investor host country relationship which is the object of the present study In particular the pressure by host countries for contract change and its counterpart the investor s defence of contract stability The book is essentially a reference handbook for legal practitioners It analyzes a variety of increasingly important questions concerning international investment agreements that come under pressure for change by one of the contracting parties either a transnational corporation or a host country government The seven case studies and the analytical chapters which follow are based on the author s research and the assistance of corporate and government officials experts from the United Nations and other organizations and members of academic research institutes
