Anastasia Arvanetes I have been walking with the Lord Jesus Christ since November 19 1981 And I believe that there is only one God and His son Jesus is alive He has brought me out of a multitude of my troubled times If not for Him being with me and never forsaking my side I would not have made it or possibly even be alive today God's love in me has helped me on this journey to love others and forgive as He has forgiven me I was born in Columbus Ohio and later in life moved to Naples Florida Bible Wives and Women: WHO WERE THEY? Geoffrey O. Igbogidi, 2019-12-09 Bible Wives and Women Who Where They By Geoffrey O Igbogidi Bible Wives and Women Who Where They is a triumph written with tremendous creative charm and blended with inspired understanding of the wives and women within the Bible Their stories have received less attention in the Pulpits placed behind their male counterparts for reasons unknown or unfounded The content within this book intends to carry to the world the quest to show the purpose of the wives and women as revealed by the scriptures It is a testament to the wives and women of today who are still struggling to discover their individual moral character and brings an enchanting and evocative depiction of the Bible characters to life Bible Wives and Women is recommended for all women and women's rights activists from those in Congressional roles to those at home Calling Men out of the Cave Nigel Mohammed, 2015-12-04 In the time of Saul the people of God were in a small minority in a context of spiritual decline yet Jonathan who had an abusive father courageously called six hundred men who were hiding in caves onto the battlefield The battle shifted for Gods people because of one mans outstanding courage Through the onslaught of secularism humanism and related ideologies the church is viewed by the culture to be irrelevant a bit like these men hiding in caves because of the odds that are against them Is this because men have been under some kind of enchantment Under a spell from the enemy who is inherently intangible and has caused the decline of Western culture from a biblical worldview to individualism whose central idea now is that society can be composed of individuals without a central values system and heritage holding them together To destroy a nation the enemy has tried to dismantle families and thus masculinity and femininity Therefore a historical father absence is ultimately a spiritual battle and must be seen as such Jesus lived in a little platoon of twelve men trained invested in and released them therefore we have a proven model to follow why then have men been in serious decline from the church Mentors and spiritual fathers who know their calling are needed to produce men who will reproduce disciples who in turn will also be mentors and spiritual fathers with courage and vision to restore the broken foundations The foundations have been progressively dismantled but men are called to be the foundation by knowing that as followers of Jesus Christ we are the beloved of God and this can be a catalyst to finding and living our calling to live in His larger story together
