

The background of the book cover is a detailed landscape painting. It depicts a deep, rugged valley with steep, rocky cliffs. A river flows through the center of the valley, reflecting the light from the sky. In the foreground, a gnarled, dead tree trunk lies on the left, and a small, dark figure is visible on the riverbank. The sky is filled with soft, white clouds, and the overall color palette is dominated by earthy browns, greys, and blues, creating a somber and majestic atmosphere.

Elijah Yahweh And Baal

Hermann Gunkel

Elijah Yahweh And Baal:

Elijah, Yahweh, and Baal Hermann Gunkel, 2014-11-18 Elijah Yahweh and Baal is a masterpiece presented with authority by a twentieth century accomplished and unsurpassed exegete. It is now translated by a disciple whose elegant rendition sounds as if Hermann Gunkel had originally written himself the book in English. Andre LaCocque, The Chicago Theological Seminary, Chicago, IL. Written a century ago for a church audience eager to learn how the best scholarship of the day could illuminate one of the Bible's most absorbing stories, this little book shows Gunkel at the height of his powers of critical perspicuity, explanatory finesse, and reverent sensitivity, the ideal Bible study leader at once learned, captivating, and devout. Moreover, Gunkel encompasses his subject as few today could or would in such short scope, combining philological acumen, aesthetic appreciation, comparative perspective, and attention to communal folk tradition, his pioneer distinction, and constants of human religiosity. The translation includes astute notes by the editor and a helpful list of more recent resources. Robert B Coote, San Francisco Theological Seminary, San Francisco, CA. Hermann Gunkel, who died in 1932, is one of the greatest teachers and God Fathers of Old Testament study. He has taught us the most about the artistic, imaginative dimensions of the text. His interpretation of the Elijah narrative in this volume is a treasure that merits continuing attention. We may be grateful indeed to K C Hanson for bringing it to us in English, and to Wipf and Stock for its publication. Gunkel continues to be our teacher and God Father in wise, shrewd reading of the text. Walter Brueggemann, Columbia Theological Seminary, Decatur, GA. Hermann Gunkel, 1862-1932, was Professor of Old Testament at the universities in Berlin, Giessen, and Halle, Germany. Among his major works in English are *Genesis: Introduction to the Psalms and Creation and Chaos in the Primeval Era and the Eschaton*. **Elijah, Yahweh and Baal** Hermann Gunkel, 193? **From Carmel to Horeb** Alan J. Hauser, Russell Gregory, 1990-08-01. The two independent studies in this volume are: 1. Alan J. Hauser, *Yahweh versus Death: The Real Struggle in 1 Kings 17-19*. Hauser argues that although Yahweh emerges victorious in the famous match against Baal in ch. 18, it is Yahweh's struggle with death that gives 1 Kings 17-19 its literary shape and dynamic. 2. Russell Gregory, *Irony and the Unmasking of Elijah*. Gregory detects a fundamental irony in 1 Kings 17-19: Elijah, driven by his ambitions to clear the country of the prophets of Baal and to lead the people back to the worship of the one true god, appears to be a diligent and forceful prophet for Yahweh. And yet his frenetic activity only veils his arrogance and his subversion of the prophetic task. **Monotheism and Yahweh's Appropriation of Baal** James S. Anderson, 2015-08-27. Biblical scholarship today is divided between two mutually exclusive concepts of the emergence of monotheism: an early monotheistic Yahwism paradigm and a native pantheon paradigm. This study identifies five main stages on Israel's journey towards monotheism. Rather than deciding whether Yahweh was originally a god of the Baal type or of the El type, this work shuns origins and focuses instead on the first period for which there are abundant sources: the Omride era. Non-biblical sources depict a significantly different situation from the Baalism the Elijah cycle ascribes to King Achab. The novelty of the present study is to

take this paradox seriously and identify the Omride dynasty as the first stage in the rise of Yahweh as the main god of Israel Why Jerusalem later painted the Omrides as anti Yahweh idolaters is then explained as the need to distance itself from the near by sanctuary of Bethel by assuming the Omride heritage without admitting its northern Israelite origins The contribution of the Priestly document and of Deutero Isaiah during the Persian era comprise the next phase before the strict Yahwism achieved in Daniel 7 completes the emergence of biblical Yahwism as a truly monotheistic religion *The Early History of God* Mark S. Smith,2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel s early religion and tracing the transformation of that deity into the sole god the development of monotheism Old Testament Theology Paul R. House,2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many **Old Testament Survey** William Sanford LaSor,David Allan Hubbard,Frederic William Bush,1996-09-03 McKenna and William B Nelson Jr Divine Violence and the Character of God Claude F. Mariottini,2022-02-01 There is much violence in the Old Testament both human and divine Christians and non Christians react differently to what they read about the God of the Old Testament Some people are so affected by the violence found in the Old Testament that they give up on God stop going to church and reading the Bible and eventually lose their faith Others are offended by divine violence and seek to find an alternative explanation for the violent acts of God in the Old Testament A popular alternative in the twenty first century is to return to the second century and adopt some form of Marcionism and make the God of the Old Testament to be a different God from the God revealed by Christ in the New Testament The purpose of this book is not a defense of God and his use of violence The author seeks to understand why God acted the way he did and to understand the reason for divine violence in the Old Testament Yahweh did use violence in his work of reconciliation However the use of violence was necessary when everything else failed Israel provoked God to anger When God brought judgment upon his people he did so with tears in his eyes **ESV Systematic Theology Study Bible** Crossway Bibles,2018-01-22 Theology should first and foremost be rooted in God s Word The goal of the ESV Systematic Theology Study Bible is to demonstrate how all Christian doctrine arises from the pages of the Bible Created to help readers understand how Scripture forms the basis for our understanding of God humanity sin salvation and eternity this study Bible features over 400 short in text doctrinal summaries connecting Christian beliefs to specific Bible passages 25 longer articles explaining important theological topics in greater depth and introductions to each book of the Bible that highlight the unique ways each book contributes to the whole of Christian theology Created by an outstanding team of editors and 26 contributors this resource has been created to help Christians better connect what they believe about God with the very words of

Scripture *Prophetic Conflicts in the Deuteronomistic History* Daewook Kim, 2021-03-03 This study explores the four narratives regarding prophetic conflicts in the Deuteronomistic History via three steps first examining the narratives with a synchronic approach second discussing the date of the narratives as revised by the Deuteronomists in the Persian period last considering religious settings and rhetorical purposes of the narratives The Deuteronomists were more interested in the theological questions of the true Israel true YHWH and the true worship place than the prophetic conflicts The conflicts reflect the difficulty to distinguish between true and false prophecy and the Deuteronomists sought to answer their questions by using the conflict narratives Their answers aimed for the postexilic community to protect their ethnic identity and to worship YHWH alone exclusively in Jerusalem

How the Bible Became the Bible Donald L. O'Dell, 2020-02-19 This book is for those who want to be true to the spirit of the Christ and want to use the Bible as a guide to their spiritual growth rather than as a literal instruction manual for evaluating and judging external behavior especially the behavior of others Spiritual growth pays little attention to controlling external behavior Spirituality is always an inside job and is always gentle kind understanding and accepting of others and of self The fruit of this book is the presentation of biblical facts which are sewn together in the recognition that the Kingdom of God is available right now for you Having experiences where others see God in you Gifting your life with experiences of seeing God in all others and Experiencing Spirit's daily guidance as you live your life Clear spiritual thinking requires an understanding of what the Bible is and isn't

Jesus in 1 & 2 Kings Tony Merida, 2015-11-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition

The Messiah Myth Thomas L. Thompson, L Thompson, 2009-04-20 Since the eighteenth century scholars and historians studying the texts of the Bible have attempted to distill historical facts and biography from the mythology and miracles described there That trend continues into the present day as scholars such as those of the Jesus Seminar dissect the Gospels and other early Christian writings to separate the Jesus of history from the Christ of faith But with The Messiah Myth noted Biblical scholar Thomas L Thompson argues that the quest for the historical Jesus is beside the point since the Jesus of the Gospels never existed Like King David before him says Thompson the Jesus of the Bible is an amalgamation of themes from Near Eastern mythology and traditions of kingship and divinity The theme of a messiah a divinely appointed king who restores the world to perfection is typical of Egyptian and Babylonian royal ideology dating back to the Bronze Age In Thompson's view the contemporary audience for whom the Old and New Testament were written would naturally have interpreted David and Jesus not as historical figures but as metaphors embodying long established messianic traditions Challenging widely held assumptions about the sources of the Bible and the quest for the historical Jesus The Messiah Myth is sure to spark interest and heated debate

Zeal Without Knowledge Dane C. Ortlund, 2012-07-26 This book examines the concept of zeal in three Pauline texts Rom 10 2 Gal 1 14 Phil 3 6 as a way in to discussion of the New Perspective on Paul The concept of zeal has been discussed in a sustained way by James D G Dunn who argues that Paul was drawing on a long and venerable tradition of Jewish zeal for the nation of Israel that is a concern to maintain Israel's distinction from the surrounding nations by defending and reinforcing its boundaries Ortlund interacts with Dunn agreeing that this concern for distinctiveness was a crucial and neglected concern of Paul's before his conversion Nevertheless Ortlund contends that Dunn has presented an overly narrow understanding of Pauline zeal that does not sufficiently locate zeal in the broader picture of general obedience to Torah in Jewish tradition As such Ortlund shows in this work that zeal refers most immediately to general obedience to Torah including but not to be centrally circumscribed as ethnic distinction
