Exemplary Leader Main Course Guide:

Basic Handbook of Police Supervision: A Practical Guide for Law Enforcement Supervisors Gerald W. Garner, 2022-02-23

This updated handbook provides reliable guidance on what to do next and offers practical no frills advice about what to do to counter the day to day challenges and outright calamities that make up the first line leader's work life. Perhaps even more important it offers time proven recommendations on how to prevent a bothersome situation from escalating into crisis proportions in the first place. It will prove equally useful to the veteran novice or future law enforcement supervisor. Its sound advice will help him retain his emotional as well as physical and moral health in a real world environment that seems to become more challenging every day. It will help him to lead and bring his people to share his practices and beliefs in doing a very critical job the right way. Just as it should be the handbook is short on theory and long on how to advice. It is literally a resource that the supervisor can tuck into an equipment bag or otherwise keep close at hand. It likewise will aid him in carrying out the very practical tasks of communicating effectively evaluating employee performance correcting inappropriate behavior and helping his officers survive both on the street and in the police organization. A new chapter has been added on the topic of how to lead successfully during the current very challenging environment for law enforcement entitled How to Lead During Challenging Times. Summary boxes have been interspersed throughout the text that emphasize important points for police leaders to remember. Meanwhile the handbook will assist the law enforcement leader in working well with his own boss and planning his own career. There is no job description in the world quite like that of first line law enforcement boss. The job is as unique as it is difficult and vital to the success of any successful police organization. This book will help them become even better at their very important job. Curriculum Leadership Allan A. Glatthorn, Floyd Boschee, Bruce M.
