[Extensive Reading in the Second Language Classroom](#)

Richard R. Day, Julian Bamford, 1998-01-13 This comprehensive examination of extensive reading shows how reading large quantities of books and other materials can provide students with essential practice in learning to read and help them develop a positive attitude towards reading which is sometimes missed in second language classes The authors first examine the cognitive and affective nature of reading and then offer a wealth of practical advice for implementing extensive reading with second language learners Suggestions are provided for integrating extensive reading into the curriculum establishing a library selecting reading materials and keeping records for purposes of evaluation The text also describes a wide variety of classroom activities to supplement individualized silent reading The information will be useful both for pre service teachers and for teachers and administrators who want to improve the teaching of reading in their second language programs **The**

Pilgrim's Guide to the Workplace Agustin Chevez, 2022-08-29 This is an Open Access book Hoping to incubate a unique idea about workplace design Dr Agustin Chevez walked in isolation for 42 days from Melbourne to Sydney His pilgrimage delivered 34 Signposts a collection of insights which hold the promise to guide us to a better place to work While firmly positioned within the shifting context of work the Signposts point away from reactive solutions with a short shelf life Instead these markers are infused with a diversity of thought instilled by Agustin's pilgrimage and reclaim the forgotten qualities of solitude boredom adversity and absurdity as mechanisms to deliver innovation and create improved working environments On his way to Sydney Agustin relied on maps and people with local knowledge of the lands he traversed Similarly in this book he consults people with local knowledge in various design disciplines management and technology as he navigates the many regions of the workplace and work practices covered by the Signposts When he reaches the end of the known trails he starts laying paths that take us closer to where the Signposts converge Agustin writes from the perspective of a pilgrim architect workplace consultant and researcher and invites you to join him as a fellow pilgrim You will be rewarded with a journey that revisits our assumptions about the way we use space to host the ever evolving notion of work an expedition leading not only to better versions of the workplace but a better version of ourselves This book takes about three hours to read and it could take a lifetime to fully extract all the benefits that it contains This does not suggest that there are not immediate benefits available from reflecting on and applying the Signposts that are core to the book's intellectual contribution Peer Review extract **High School Hacks: A Student's Guide to Success in the IB and Beyond** Brianna Smrke, 2016-02-22

Brianna Smrke achieved the perfect score of 45 for her IB Diploma a feat achieved by less than one percent of IB students internationally In this remarkable first book Brianna tells students who they can maximize the return on their educational effort by cultivating three habits of mind focus resourcefulness and stacking approaching a task with an eye to what else it might be used for in addition to the stated purpose These strategies directly respond to the challenges of 21st Century education but are also crucial to future career success A mixture of anecdotes references to pedagogical and cognitive research and practical strategies are perfectly woven together to convey these ideas
