Stars in the Schoolhouse: Teaching Practices and Approaches that Make a Difference Nicholas D. Young, Elizabeth Jean, Teresa Allissa Citro, 2019-02-19 It is acknowledged that today's teachers are tasked with educating increasingly diverse students as well as with addressing their academic and social emotional needs The Stars in the Schoolhouse Teaching Practices and Approaches that Make a Difference offers a visionary look at teaching skills and practices that focus on the classroom technology and specific content areas that are often ignored in educational conversations Emphasis is placed on research based strategies practices and theories that can be readily translated into classroom practice whilst examining cutting edge teaching practices that make a difference in improving general educator and or student performance across the grade spans This high quality teaching resource will be of interest to regular and special educators school administrators guidance counselors graduate education professors and university students *The Palgrave International Handbook of School Discipline, Surveillance, and Social Control* Jo Deakin, Emmeline Taylor, Aaron Kupchik, 2018-06-07 Truly international in scope this Handbook focuses on approaches to discipline surveillance and social control from around the world critically examining the strategies and practices schools employ to monitor students and control their behavior Bringing together leading scholars from a range of disciplinary backgrounds the chapters scrutinize analyze and compare schools practices across the globe providing a critical review of existing evidence debates and understandings while looking forward to address emerging important questions and key policy issues The chapters are divided into four sections Part 1 offers accounts of international trends in school discipline surveillance and punishment Part 2 examines the merging of school strategies with criminal justice practices Part 3 focuses on developments in school technological surveillance and Part 4 concludes by discussing restorative and balanced approaches to school discipline and behavior management As the first Handbook to draw together these multiple themes into one text and the first international comparative collection on school discipline surveillance and social control it will appeal to scholars across a range of fields including sociology education criminology critical security studies and psychology providing a unique timely and indispensable resource for undergraduate educators and researchers *Mergent Municipal News Reports*, 2005 **California Department of Education** California. State Auditor (2013-), 2017 *Mergent Municipal & Government Manual*, 2005 **Evidence, Politics, and Education Policy** Lorraine M. McDonnell, M. Stephen Weatherford, 2021-02-01 In Evidence Politics and Education Policy political scientists Lorraine M McDonnell and M Stephen Weatherford provide an original analysis of evidence use in education policymaking to help scholars and advocates shape policy more effectively The book shows how multiple types of evidence are combined as elected officials and their staffs work with researchers advocates policy entrepreneurs and intermediary organizations to develop create and implement education policies Evidence Politics and Education Policy offers an in depth understanding of the political environment in which evidence is solicited and used Two key case studies inform

the book's findings The primary case a major multimethod study examines the development and early implementation of the Common Core State Standards at the national level and in four states California Indiana Massachusetts and Tennessee A comparative case analyzes the evidence used in Congressional hearings over the twenty year history of the Children's Health Insurance Program Together the two cases illustrate the conditions under which different types of evidence are used and in particular how federalism the complexity of the policy problem and the policy's maturity shape evidence use McDonnell and Weatherford focus on three leverage points for strengthening the use of research evidence in education policy integrating research findings with value based policy ideas designing policies with incentives for research use built into their rules and organizational structures and training policy analysts to promote the use of research in policymaking venues Moody's Municipal & Government News Reports ,1990-03 **Congressional Record** United States.
