From Pride To Humility A Biblical Perspective:

From Pride to Humility Stuart Scott, 2002-07 Booklet Biblical Perspective for resolving conflict and communication problems effectively **Pride and Humility at War** Lanier Burns, 2018 Is pride a necessary tool to achieve significance Is humility a form of self hatred Our society misunderstands both yet Burns shows how biblical humility overcomes pride leading to greater rewards **Biblical Humility Works** Jeffry Williams, 2021-02-28 Biblical Humility Works provides a biblical perspective concerning humility and pride It demonstrates the powerful grace that God provides to the humble and delineates that powerful opposition of God to the person who is parked in pride One contrast outlined is the blindness that invariably accompanies pride and the brilliant illumination of truth that is always associated with humility Further a key purpose of this work is to shine a flashlight ahead on a path toward growth in humility A pathway is also illuminated to systematically reduce our propensity toward pride Pride is examined from its inception in the Garden of Eden to its deception in our lives today Humility is examined in the many ways that it is displayed in the lives of those revealed to us in the Word of God Critically humility and pride are contrasted by the grace that is given by God to the humble and the opposition of God to those who walk in pride A Humility Quotient test is included to allow an interested individual to self evaluate their humility level as well as to evaluate potential progress over time There is also a study guide provided to enhance the potential for growth **Christian Counseling 3rd Edition** Gary R. Ancient Sins . . . Modern Addictions R. Scott Sullender, 2013-07-05 There is a virtual epidemic of addiction in the United States both traditional addictions to drugs and alcohol but also newer addictions like sex gambling rage work and food eating Some authorities have labeled addictions the number one mental health problem in America We are spending millions of dollars annually trying to prevent understand and treat this epidemic and yet by any measure of success we are losing this war In this cultural context Dr Sullender invites us to look again at the spiritually based scheme of the Seven Deadly Sins which originated at the dawn of Western civilization He suggests that what our spiritual forebears meant by deadly is best captured in the modern concept of addiction Based on this thesis this book explores what is addictive about the sins of pride envy anger greed gluttony sloth and lust and suggests that these sins are all obsessive and as such become the mental component in the addictive cycle Each chapter concludes by offering some spiritual resources practices and insights that can help us win the battle against addiction which is ultimately won or lost on a mental or spiritual plane
