

INSTALLATION INSTRUCTIONS

Heavy Duty Water Filtration Unit—GXWH40L (filters not included)

SAFETY PRECAUTIONS

- Check with your state and local public works department for plumbing and sanitation codes. You must follow these guidelines as you install the Heavy Duty Water Filtration Housing. Using a qualified installer is recommended.
- Be sure the water supply conforms with the *Performance Data*. If the water supply conditions are unknown, contact your municipal water company.

▲ WARNING: Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the housing.

- It is highly recommended that a water shut-off valve be placed directly upstream of your household filter.

PROPER INSTALLATION

This Heavy Duty Water Filtration Housing must be properly installed and located in accordance with the Installation Instructions before it is used.

- *Check with your local public works department for plumbing codes. You must follow their guides as you install the Heavy Duty Water Filtration Housing.*
- *Use the Heavy Duty Water Filtration Housing on a potable, safe-to-drink, home COLD water supply only. The filter cartridge will not purify water or make unsafe water safe to drink. DO NOT use on HOT water (100°F max).*
- *Protect the Heavy Duty Water Filtration Housing and piping from freezing. Water freezing in the housing will damage it.*
- *Your Heavy Duty Water Filtration Housing will withstand up to 100 psi water pressure. If your house water supply pressure is higher than 100 psi during the day (it may reach higher levels at night), install a pressure reducing valve before the housing is installed.*

- Do not install on **HOT WATER**. The temperature of the water supply to the Heavy Duty Water Filtration Housing must be between the minimum of 40°F and the maximum of 100°F. See the *Performance Data* section.

- **Do not** install the Heavy Duty Water Filtration Housing using copper solder fittings. The heat from the soldering process will damage the unit.

▲ WARNING: Discard all unused parts and packaging material after installation. Small parts remaining after installation could be a choke hazard.

- **Do not** install filter in an outside location or anywhere it will be exposed to sunlight.

Optional accessories are available (Visa, MasterCard or Discover cards accepted by visiting our Website at ge.com or from Parts and Accessories, call 800.626.2002 (U.S.) or 800.663.6060 (Canada).
