Good Old Neon Signs You Re In Chicago:

Good Old Neon Nicholas Carlin Freeman, 2014-11-21 What constitutes a great sign For me it s an elusive synchronicity of color shape typography and iconography enhanced by authenticity and eccentricity Signs that have been maintained and still illuminate are always beguiling The fragility of glass tubing continuously exposed to harsh Chicago weather makes the survival of an old sign a kind of urban miracle deserving at the least of photographic preservation Even the many that have outlived their functional glory days have their own visual appeal Animated neon signs working or not are a special treat Nick Freeman from the Foreword Delight in Chicago s rich neon heritage with this full color collection of gaudy garish and downright spectacular signs From the far South Side to the Wisconsin Dells Good Old Neon documents the familiar and the obscure capturing in over 130 photos these fast disappearing artifacts of a glorious era when brightly lit signs filled the urban landscape
