Legislative Assembly,1904 *The Priest and Levite as Temple Representatives* Michael Blythe,2023-07-07 The parable of the good Samaritan is well known yet scholarship has not plumbed the depths of its meaning within its first century Palestinian context For the majority of Christian history the parable has suffered either from extreme allegorical treatments or from unimaginative readings limiting the parable to a single point example story of virtue A creative reading employing social and historical methods generates a refreshing telling of the story within Jesus s context whereby each variable from the Samaritan to the priest and even the innkeeper takes on representative forms not only indicative of widespread concerns from Jesus s audience but also becoming symbols of the eschatological age when the new temple supplants the old Interim Report of the Commissioners on Certain Parts of Primary Education New South Wales.
