Southard,2001-05 I m the real author of 3 DAYS IN ROME and I m dead Gee I hope that thought doesn t scare you too much I m not like a bogey ghost or anything Actually ghosts aren t really that big a deal it s usually just us dead when we have nothing better to do I m just a normal dead person and I ve written my autobiography Most of the dead up here in Heaven have written an autobiography Of course I ve decided to do mine differently than the others Funny thing is Scott told me not to bring this up He believes that if I come out here and state all these facts about Heaven he would be in big trouble since his name is on the novel But the book is about more than the truths of Heaven It s also about the great love affair I had while alive And we had one Hell of an amazing romance We were wanted by the authorities and the Mafia and all we could think of was each other Those were the greatest days of my whatever 3 DAYS IN ROME is an unpredictable and comic love story about life death the Afterlife and everything in between *Reign of Angels 3: Absolution* L.G. Castillo,2022-06-22 Long ago I left my father s heavenly palace as a fallen angel Today I return a prince unworthy of my royal heritage Each grueling step I take brings me closer to a throne I don t want and carries the burden of what I ve done My dearest friend s blood is on my hands I sacrificed an angel s life and risked the lives of others for the love of a human I betrayed my kind yet myriads of angels bow their heads as I take my place to rule over them I am not who they think I am who I am pretending to be I want to scream the truth desperate for them to see how we are all trapped in my father s game I m the only one who can stop him from complete domination Karennas freedom is my absolution I will sacrifice my life for hers so she and all humans can live in peace To end this wicked game I must do the unthinkable abandon Karennas and promise to love and cherish another

Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers
