'Sisters in the Struggle' Kalpana Hiralal, 2023-02-10 Sisters in the struggle Women of Indian Origin in South Africa s Liberation Struggle 1900 1994 unveils an uncharted historical terrain highlighting the contributions of Indian women towards non racialism and equality and their experiences within diverse political parties therefore shifting the post apartheid liberation stories which have been dominated by the journey of the ANC to other political organisations who collectively played a significant role in South Africa s road to democracy In this book Hiralal presents a refreshing perspective of Indians particularly women as contributors and activists in the struggle The book elucidates that the struggle against apartheid was a collective endeavour among the oppressed races and not a one sided endeavour by the ANC The book thus examines the participation of Indian women against apartheid and colonialism within gendered and political frameworks

The Southeast Asia Treaty Organisation Ang Cheng Guan, 2021-09-09 A History of the Manila Pact and the Southeast Asia Treaty Organisation SEATO from its establishment in 1954 until its dissolution in 1977 The Southeast Asia Treaty Organization SEATO has received meagre scholarly attention in comparison to other key events and global developments during the duration of the Cold War due to its perceived failure early in its existence However there has been a renewed interest in the academic study of the organization Some scholars have argued that SEATO was not an outright failure New literatures have also shed in detail the workings of SEATO such as operational level contingency plans and counter insurgency plans This book aims to reconstruct a comprehensive life cycle of SEATO

using declassified archival documents which were unavailable to scholars studying the organization from the 1950s through the 1980s and provide a nuanced assessment of it In addition in recent years there is also an emerging interest in the possibility of a multilateral military alliance in Asia for instance the Quadrilateral Security Dialogue morphing into an Asian NATO As such it is therefore crucial to study how previous multilateral alliances in the context of Asia were formed how they functioned and subsequently dissolved A groundbreaking reference on a key element of the United States Cold War strategy in Asia which will be a valuable resource to scholars of twentieth century diplomatic history

Shakespeare's Women and the Fin de Siècle Sophie Duncan,2016-12-01 Shakespeare's Women and the Fin de Siècle illuminates the most iconoclastic performances of Shakespeare's heroines in late Victorian theatre through the celebrity commentary and wider careers of the actresses who played them By bringing together fin de siècle performances of Shakespeare and contemporary Victorian drama for the first time this book illuminates the vital ways in which fin de siècle Shakespeare and contemporary Victorian theatre culture conditioned each other Actresses' movements between Shakespeare

and fin de siècle roles reveal the collisions and unexpected consonances between apparently independent areas of the fin de siècle repertory Performances including Ellen Terry's Lady Macbeth Madge Kendal's Rosalind and Lillie Langtry's Cleopatra illuminate fin de siècle Shakespeare's lively intersections with cultural phenomena including the Jack the Ripper killings Aestheticism the suicide craze and the rise of metropolitan department stores If as previous studies have shown Shakespeare was everywhere in Victorian culture Sophie Duncan explores the surprising ways in which late Victorian culture from Dracula to pornography and from Ruskin to the suffragettes inflected Shakespeare Via a wealth of unpublished archival material Duncan reveals women's creative networks at the fin de siècle and how Shakespearean performance traditions moved between actresses via little studied performance genealogies At the same time controversial new stage business made fin de siècle Shakespeare as much a crucible for debates over gender roles and sexuality as plays by Ibsen and Shaw Increasingly actresses' creative networks encompassed suffragist activists who took personal inspiration from star Shakespearean actresses From a Salome-esque Juliet to a feminist Paulina fin de siècle actresses created cultural legacies which Shakespeare in performance still negotiates today

Ancient Historiography on War and Empire Timothy Howe, Sabine Müller, Richard Stoneman, 2016-11-30 In the ancient Greek speaking world writing about the past meant balancing the reporting of facts with shaping and guiding the political interests and behaviours of the present Ancient Historiography on War and Empire shows the ways in which the literary genre of writing history developed to guide empires through their wars Taking key events from the Achaemenid Persian Athenian Macedonian and Roman empires the 17 essays collected here analyse the way events and the accounts of those events interact Subjects include how Greek historians assign nearly divine honours to the Persian King the role of the tomb cult of Cyrus the Founder in historical narratives of conquest and empire from Herodotus to the Alexander historians warfare and financial innovation in the age of Philip II and his son Alexander the Great the murders of Philip II his last and seventh wife Kleopatra and her guardian Attalos Alexander the Great's combat use of eagle symbolism and divination Plutarch's juxtaposition of character in the Alexander Caesar pairing as a commentary on political legitimacy and military prowess and Roman Imperial historians using historical examples of good and bad rule to make meaningful challenges to current Roman authority In some cases the balance shifts more towards the literary and in others more towards the historical but what all of the essays have in common is both a critical attention to the genre and context of history writing in the ancient world and its focus on war and empire
