## II. SUBMISSION OF A NEW MANUSCRIPT FOR REVIEW

Contributions to the Transactions, Journals, and Letters must be submitted electronically on IEEE's on-line manuscript submission and peer-review system, ScholarOne® Manuscripts (former Manuscript Central).

Before submitting, carefully read the TIE checklist above “TIE checklist for new manuscript submissions” and modify your manuscript accordingly. Once your paper is completely suitable to TIE rules, follow this procedure:

- 1) Open ScholarOne® Manuscripts web <http://mc.manuscriptcentral.com/tie-ieee>. If you haven't an existing account, please create it.
- 2) Go to your Author Center and click “Submit First Draft of a New Manuscript”. All IEEE journals require an Open Researcher and Contributor ID (ORCID) for all authors. ORCIDs enable accurate attribution and improved discoverability of an author's published work. The author will need a registered ORCID in order to submit a manuscript or review a proof in this journal.
- 3) Along with other information, you will be asked to select the subject from a pull-down list. There are various steps to the submission process; you must complete all steps for a complete submission. At the end of each step you must click “Save and Continue”.
- 4) Just uploading the paper is not sufficient. After the last step, you should see a confirmation that the submission is complete. You should also receive an e-mail confirmation.
- 5) More detailed instructions can be found at <http://fmchelp.manuscriptcentral.com/gethelpnow/training/author/>.

Please notice that in your Author Center you may check the current status of your manuscript such as: In EIC office, Assigned to AE, AE invites reviewers, AE assigns reviewers, Under review, Awaiting AE decision, and Awaiting EIC decision. If you find that your manuscript is not moving in the process for a month or more please contact the Editor-in-Chief.

### A. TIE checklist for manuscript submissions

Authors should consider the following points before submitting a new paper. Otherwise the submission would be automatically rejected.

- 1) New manuscripts cannot exceed 8 pages (3 for letters). Only a very limited overlength (1/2 page at most) is tolerated. Note that usually in the review process the reviewers tend to ask for more explanations, also note that the maximum allowed length is 8 pages on initial/first
