American Possessions Sean McCloud, 2015-04-21. Stories of contemporary exorcisms are largely met with ridicule or even hostility. Sean McCloud argues, however, that there are important themes to consider within these narratives of seemingly well-adjusted people who attend school, go shopping, watch movies, and also happen to fight demons. *American Possessions* examines Third Wave spiritual warfare, a late twentieth/early twenty-first century movement of evangelicals focused on banishing demons from human bodies, material objects, land, regions, political parties, and nation-states. While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice, McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape. Drawing on interviews, television shows, documentaries, websites, and dozens of spiritual warfare handbooks, McCloud examines Third Wave practices such as deliverance rituals, a uniquely Protestant form of exorcism, spiritual housekeeping, the removal of demons from everyday objects, and spiritual mapping, searching for the demonic in the physical landscape. Demons, he shows, are the central fact of life in the Third Wave imagination. McCloud provides the first book-length study of this influential movement, highlighting the important ways that it reflects and diverts from the larger neo-liberal culture from which it originates.

On Earth As It Is in Heaven C. Peter Wagner, 2012-10-05. There has been an intense and growing debate in recent years regarding dominionism and what it means for Christians' involvement in business, politics, education, entertainment, and other realms of societal influence. Now Dr. Peter Wagner brings Spirit-inspired clarity to the conversation with this essential guide for believers who want to impact our world for God's kingdom. This invaluable study examines powerful strategies God has revealed to His people in recent days and answers persistent questions with clear biblical wisdom: Is wealth a legitimate tool of the church? How do today's workplace apostles lead in spiritual battle? Does God allow His people to make some decisions about the future? How is dominion theology operational in our world today? This groundbreaking study lays a biblical, theological, and inspirational foundation for the mandate God has given His people.

Understanding Spiritual Warfare Sam Storms, 2021-04-27. A comprehensive theological guide to everything the Bible has to say about spiritual warfare. Many Christians today are unaware or skeptical of the reality of Satan and the role he and his demonic hordes seek to exert on our lives. But if we're to take Scripture seriously, we can't overlook the biblical assertions about the spiritual battles between the kingdom of God and the kingdom of the devil. The truth is that believers in Jesus are certain to encounter men and women of all ages who are oppressed, tormented, and tempted by demonic powers. In *Understanding Spiritual Warfare*, theologian and professor Sam Storms confronts the reality of the spiritual conflict in our midst, the threat of the demonic, and how we as Christians can respond to

such a threat in our own lives and in the lives of others Storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic answering question like Who is Satan and his demons and how do they act Can a Christian be demonized How does the authority of Christ defeat the devil and the demonic What is warfare prayer and how can we wield it Perfect for any individual or group who wants to grow in their understanding of spiritual warfare Understanding Spiritual Warfare also serves as a training manual for a ministry of deliverance and inner healing
