Foreword

Foreword

This workshop manual (WM) is a collection of technical data and functional descriptions for the standard vehicle.

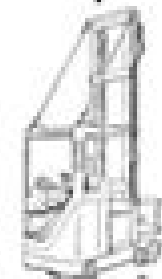

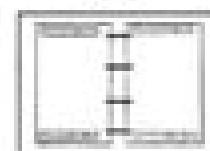

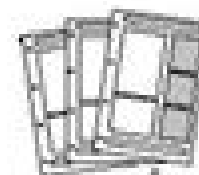

It is intended as a guide which should be kept at hand at all times, to help explain the technical features of the vehicle and consequently ensure that maintenance and repair are carried out correctly.

The WM is updated on a regular basis.

Updating workshop manuals

Our range of equipment is subject to continuous development and improvement. A consequence of this is that components or assemblies are sometimes replaced or their function changed.

In order to guarantee that the owner of a workshop manual is always in possession of up-to-date and relevant documentation, the manual must be updated using the method described overleaf.
