consequently by 1993 the number of employees of the Government rose to 1,000,000 and the total number of people in the economy rose to 1,200,000. The Government was able to do this by increasing the number of people in the economy by 20% and the number of people in the Government by 10%.

By the time you're in position to buy and the bank's closed, or before the opening, almost this month, all credit involving the sub-prime mortgage market has dried up in the United States. It's important to remember that not one of the banks to which I'm referring has failed – not yet. It's a real possibility that one of them will fail, but it's not a foregone conclusion. It's not a foregone conclusion that the banks will fail. It's not a foregone conclusion that the banks will fail. It's not a foregone conclusion that the banks will fail.
