Masked Obsession Part II The Masquerade Series:

Goethe, Nietzsche, and Wagner T. K. Seung, 2006-03-27 The author reads Goethe's Faust as the first epic written under Spinoza's influence. He shows how its thematic development is governed by Spinoza's pantheistic naturalism. He further contends that Wagner and Nietzsche have tried to surpass their mentor Goethe's work by writing their own Spinozan epics of love and power in *The Ring of the Nibelung* and *Thus Spoke Zarathustra*. These Spinozan epics are designed to succeed the Christian epics in the Western literary tradition. Whereas the Christian epics dared to groom human beings for their destiny in the supernatural world, the Spinozan epics try to reinstate humanity as the children of Mother Nature and overcome their alienation from the natural world which had been dictated by the long reign of Christianity. However, it has been well noted that none of these new epics seems to hang together thematically as a coherent work. By his Spinozan reading, the author not only demonstrates the thematic unity of each of them singly but further illustrates their thematic relation with each other.

Obsessed Ted Dekker, 2006 Living in Los Angeles in the early 1970s, real estate dealer Stephen Friedman becomes hungry for answers after he discovers a deceased woman's papers that indicate she owned a priceless religious relic and that she may have been his mother. The Works of Maria Edgeworth, Part I Vol 2 Marilyn Butler, 2019-09-25 This volume contains Edgeworth's best courtship novel *Belinda*, which replaces mercenary fortune hunting with a deeper quest for marital compatibility, valorising irrationality and love over reason and duty. MARIA EDGEWORTH was born in 1768. Her first novel *Castle Rackrent* (1800) was also her first Irish tale. The next such tale was *Ennui* (1809), after which came *The Absentee*, which began life as an unstaged play and was then published in prose in *Tales of Fashionable Life* (1812), as were several of her other stories. They were followed in 1817 by the last of her Irish tales *Ormond*. Maria Edgeworth died in 1849. Edited with an introduction and notes by Marilyn Butler. **Masquerade** Deborah Bell, 2014-12-31 In its conventional meaning, masquerade refers to a festive gathering of people wearing masks and elegant costumes. But traditional forms of masquerade have evolved over the past century to include the representation of alternate identities in the media and venues of popular culture, including television, film, the internet, theater, museums, sports arenas, popular magazines, and a range of community celebrations, reenactments, and conventions. This collection of fresh essays examines the art and function of masquerade from a broad range of perspectives. From African slave masquerade in New World iconography to the familiar Guy Fawkes masks of the Occupy Wall Street movement to the branded identities created by celebrities like Madonna, Beyoncé, and Lady Gaga, the essays show how masquerade permeates modern life. Looking for Transwonderland Noo Saro-Wiwa, 2012-09-01 A remarkable chronicle of a journey back to this West African nation after years of exile. The New York Times Book Review. Noo Saro Wiwa was brought up in England but every summer she was dragged back to visit her father in Nigeria, a country she viewed as an annoying parallel universe where she had to relinquish all her creature comforts and sense of individuality. After her father, activist Ken Saro Wiwa, was killed there, she didn't return for several years. Then she decided to come to terms with

the country her father given his life for Traveling from the exuberant chaos of Lagos to the calm beauty of the eastern mountains from the eccentricity of a Nigerian dog show to the decrepit kitsch of the Transwonderland Amusement Park she explores Nigerian Christianity delves into the country's history of slavery examines the corrupting effect of oil and ponders the huge success of Nollywood She finds the country as exasperating as ever and frequently despairs at the corruption and inefficiency she encounters But she also discovers that it is far more beautiful and varied than she had ever imagined with its captivating thick tropical rain forest and ancient palaces and monuments and most engagingly and entertainingly its unforgettable people The author allows her love hate relationship with Nigeria to flavor this thoughtful travel journal lending it irony wit and frankness Kirkus Reviews
