Social Movements in Post-Communist Europe and Russia Kerstin Jacobsson,Steven Saxonberg,2015-12-22 This volume provides a much needed update on the state of civil society in post communist Europe and Russia more than two decades after the fall of the communist regimes The chapters offer new perspectives on social movement strategies in post communist Central Eastern Europe and Russia The chapters illustrate how social movements develop particular repertoires of action and contention which are better suited for their specific local contexts in the post communist setting In Russia and Poland the

most popular and effective choices are using domestic and transnational legal opportunities judicial activism and litigation that complement the traditional lobbying and mass mobilization Human rights framing has become important in Hungary and the Czech Republic The chapters analyse various types of rights based activism that operate in otherwise prohibitive social and political environments thereby raising highly contentious issues such as animal rights environment and sustainability human rights women s rights and gay rights activism The contributions richly illustrate the often surprising and multiple ways in which transnational discourses and norm pressure are received translated or resisted in the local contexts Finally the volume provides a novel reconceptualisation and offers new understandings of the relationships between the state and civil society in the post communist context This book is based on a special issue of East European Politics

Literary Translator Studies Klaus Kaindl, Waltraud Kolb, Daniela Schlager, 2021-04-15 This volume extends and deepens our understanding of Translator Studies by charting new territory in terms of theory methods and concepts The focus is on literary translators their roles identities and personalities The book introduces pertinent translator centered approaches in four sections historical biographical studies social scientific and process oriented methods and approaches that use paratexts or translations to study literary translators Drawing on a variety of concepts such as identity role self posture habitus and voice the various chapters showcase forgotten literary translators and shed new light on some well known figures they examine literary translators not as functioning units but as human beings in their uniqueness Literary Translator Studies as a subdiscipline of Translation Studies demonstrates how exploring the cultural social psychological and cognitive facets of translatorial subjects contributes to a holistic understanding of translation

Male Homosexuality in 21st-Century Thailand Jan W. de Lind van Wijngaarden, 2021-02-15 This book presents the very first analysis of male homosexuality in modern rural Thailand that is based on sociological anthropological research directly with 25 young same sex attracted men It explores changes in the way men view and describe their sexuality over time by interviewing them three times over a period of around 18 months The men are followed during an important transition in their lives the end of their high school years and the end in most cases of their life as a child with parents or extended family at a rural home Nearly all decided to move to a city to continue their education or to find work Some also had stints with sex work in one of Thailand s well known centers for prostitution For nearly all men this transition brought them into contact with new ideas about gender and sexuality and many experienced an abrupt increase in their opportunities to have sex leading to a readjustment of their moral universes The book presents significant new insights about the Thai sex gender system particularly on how it is affected by processes of globalization and the ascent of the Internet and mobile phones as tools for dating and romance

The Bonds of Love, Revisited Eyal Rozmarin, 2016-03-17 Jessica Benjamin is one of the most important and influential psychoanalysts of the last 4 decades She is one of the founders of relational psychoanalysis a movement that has by now expanded over the globe and was also one of the first to introduce feminism and gender studies into psychoanalytic thought Jessica Benjamin is the most

known and quoted representative of these two movements within world psychoanalysis and beyond in philosophy gender women s studies and cultural studies department everywhere The publication of her book *Bonds of Love* 1989 was nothing short of a revolution Psychoanalysis was until then a field immune to a changing world to the unrest of the 60s to the feminist and queer liberation movements to the new philosophies of the Frankfurt School in Germany and post structuralism in France The book was a game changer It called psychoanalysis to doubt its most basic premises on the human condition It read Freud through a feminist framework and through Hegel forever tipping our perspective on infancy gender and the interplay of power and dependence that drives human relationships from the start This volume marks the 25th anniversary of Benjamin s work Pulling together 15 international scholars it looks back on the book s first impact as well as on its continued relevance to psychoanalysis and gender studies today Chapters offer theoretical deliberations and elaborations of the book s original themes as well as reflecting on it from more intimate angles as a source of personal and professional inspiration for feminists and clinicians around the world This book was originally published as a special issue of *Studies in Gender and Sexuality*
