Exorcising Preaching Crafting Intellectually Honest Worship:

Exorcising Preaching Nathan C. Walker, 2014-11-25 Exorcising Preaching delivers an urgent call to expel unhealthy practices from sermons liberating the preacher and the people Nathan C Walker reflects on ways to replace harmful habits with healing disciplines that reawaken the craft of preaching Exorcising Preaching is a result of the lessons Walker and his congregation learned during his seven year tenure as senior minister and executive director of the First Unitarian Church of Philadelphia The final chapter invites preachers to submit their own exercises to exorcisingpreaching.com Preachers are encouraged to listen diligently for new ways to exorcise harmful practices and to systematize exercises that enhance the craft of preaching Enter into collegial dialogue and experience a truth that all of us are smarter than any one of us

Cultivating Empathy Nathan C. Walker, 2016 In this personal and emotionally honest exploration of conflict the Reverend Nathan C Walker introduces a creative and compassionate way to develop empathetic responses He introduces the concept of the moral imagination a vital character trait used by those who have the courage to project themselves into a conflict and understand all the perspectives aware that understanding need not imply agreement Cultivating Empathy presents a collection of essays about the author's wrestlings with personal and cultural conflicts and his commitment to stop otherizing which occurs when we either demonize people or romanticize them Walker's remedy for these kinds of projections is to employ the moral imagination as an everyday spiritual practice He shows that through this approach we can save ourselves from irresponsibly using our imaginations by cultivating genuine empathy for those we previously held in contempt We can visualize ourselves playing various characters within a conflict and choose not to play a lead role in the drama Throughout the book he endeavors to find connection with skinheads murderers homophobic preachers privileged 1 percenters and Monsanto executives An online companion workbook will help readers to hone these skills through a variety of exercises [The Oxford Handbook of Religion and American Education](#) Michael D.
