the fine line between his formal training and his populist principles Indeed Blitzstein developed a unique sound that drew on everything contemporary from the high modernism of Stravinsky and Hindemith to jazz and Broadway show tunes Pollack captures the astonishing breadth of Blitzstein's work from provocative operas like *The Cradle Will Rock* No for an Answer and *Regina* to the wartime *Airborne Symphony* composed during his years in service to lesser known ballets film scores and stage works A courageous artist Blitzstein translated Bertolt Brecht and Kurt Weill's *The Threepenny Opera* during the heyday of McCarthyism and the red scare and turned it into an off Broadway sensation its *Mack the Knife* becoming one of the era's biggest hits Beautifully written drawing on new interviews with friends and family of the composer and making extensive use of new archival and secondary sources Marc Blitzstein presents the most complete biography of this important American artist
