An Introduction to DARE ,1991 Marines ,1989 *All Hands* ,1991 **Oversight Hearing on Drug Abuse Education Programs** United States. Congress. House. Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education,1991 Trial and Error in Criminal Justice Reform Greg Berman,Aubrey Fox,2016-03-21 In this revised edition of their concise readable yet wide ranging book Greg Berman and Aubrey Fox tackle a question students and scholars of law criminology and political science constantly face what mistakes have led to the problems that pervade the criminal justice system in the United States The reluctance of criminal justice policymakers to talk openly about failure the authors argue has stunted the public conversation about crime in this country and stifled new ideas It has also contributed to our inability to address such problems as chronic offending in low income neighborhoods an overreliance on incarceration the misuse of pretrial detention and the high rates of recidivism among parolees Berman and Fox offer students and policymakers an escape from this fate by writing about failure in the criminal justice system Their goal is to encourage a more forthright dialogue about criminal justice one that acknowledges that many new initiatives fail and that no one knows for certain how to reduce crime For the authors this is not a source of pessimism but a call to action This revised edition is updated with a new foreword by Cyrus R Vance Jr and afterword by Greg Berman **DARE to Say No** Max Felker-Kantor,2024-04-02 With its signature DARE to keep kids off drugs slogan and iconic t shirts DARE Drug Abuse Resistance Education was the most popular drug education program of the 1980s and 1990s But behind the cultural phenomenon is the story of how DARE and other antidrug education programs brought the War on Drugs into schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing Max Felker Kantor has assembled the first history of DARE which began in Los Angeles in 1983 as a joint venture between the police department and the unified school district By the mid 90s it was taught in 75 percent of school districts across the United States DARE received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories But the program had more nefarious ends and Felker Kantor complicates simplistic narratives of the War on Drugs He shows how policing entered US schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality **The American Teacher** Donald H. Parkerson,Jo Ann Parkerson,2010-06-21 The American Teacher is a comprehensive education foundations text with an emphasis on the historical continuity of educational issues that empowers prospective teachers to channel their innate idealism into effective teaching practices *Annual Report of the Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program* Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program (Iowa),1995 Implementing Project DARE--Drug Abuse Resistance Education ,1988
