The Single Person's Cookbook Tony Wilkins, 2007-02-16 A friend told me about a new person he d invited over for dinner later that night Since my friend is the world s worst cook and hates cookbooks too complicated and the recipes are never broken down for single serving meals the task fell to me to help My suggestions included everything from a roasted chicken to a stir fry I also told him he could have me prepare the meal for him b do take out c starve d I could help him come up with a few simple recipes he could make himself in 30 minutes or less While putting together his menu he asked me a question Have you ever thought of writing a cookbook To which I replied if I did it would be specifically for single people And as they say necessity is the mother of invention The Single Person s Cookbook is written for anyone without a wife husband children or significant other to cook for Or for anyone needing to impress a date or serve a special someone a great meal because you care In short it is for anyone who wants a simple fast elegant low fat and yes romantic home cooked meal in minutes Each chapter will include approximately 5 10 recipes a piece and tips to help make the cooking process easier and more enjoyable Although I have included measurements for these recipes as a frame of reference I d like to note that I rarely ever measure anything ever In creating a simple meal I find that using the six senses instinct being the sixth are far more important and reliable than a measuring cup As a single man myself over 40 I m often aware of the irony of life s little lessons The blind date that turns out to be your ex lover s ex lover This book will not only be informative from a culinary standpoint but also offers funny little observations about getting through life as a single person of a certain age Think Sex in the City meets 30 Minute Meals from a gay man s point of view The book also offers tips on fitness I went from 232 lbs to 165lbs in about a year as well as ways to save money on your food bill Upcoming books in The Single Person s Cookbook series include Cooking from your Garden and Southern Cooking

A science-based plan that brings together cutting-edge university-tested weight loss strategies with delicious quick and easy recipes. Almost everyone knows the truth to lose the weight we need to eat less and move more, says weight management pioneer Jean Harvey Berino. This book is about the missing link: how to do it. Harvey Berino believes that permanent weight loss only happens by changing everyday behaviors, replacing old unhealthy habits with new ones. And clinical research proves her right: participants in her behaviorally based VTrim Weight Management Program lost an average of 21 pounds in 6 months, more than double that of an online commercial weight loss program. In a unique collaboration, The EatingWell Diet brings you the tools that helped VTrimmers succeed, including goal setting, self-tracking, and controlling eating triggers, along with wisdom and recipes from the creative cooks and nutrition experts at the nation's premier magazine of food and health. More than just a sensible way to lose weight, it's a workbook for a healthy way of life. **New Keto Cooking** Michael Silverstein, 2020-12-08
