

Chapter 1 - Financial Accounting

- **Accounting** - to accumulate, record, and report financial information that is useful to decision makers
- **Internal Decision Makers** - people inside the company that use internal information to make decisions for the company (managers, CEO, CFO, head of division)
- **External Decision Makers** - people outside the company who figure out if they should invest or lend money to a company, using financial information provided by accounting

Differences between Financial and Managerial Accounting

Financial

- External persons who make financial decision, historical perspective, emphasis on objectivity and verifiability, emphasis on precision, focuses on companywide reports, must follow GAAP/IFRS and prescribed formats, mandatory for external reports

Managerial

- Managers who plan and control organization, future emphasis, emphasis on relevance, focus on segment reports, not mandatory for external reports

Assets - what the company owns

Liabilities - what the company owes

- listed in terms of maturity (how soon an obligation must be paid)

Owners' Equity - ownership investments in the company and income retained by the company

Revenue - inflows (income) from selling goods or services

Expenses - outflows (costs) from operating the business

Net Income - how much a company earns during a time period (income - costs)

Accounts Receivable - money other companies owe for a short period of time

Notes Receivable - money other companies owe for a longer period of time

Four Basic Financial Statements

1. **Balance Sheet** - reports the financial position (amount of assets, liabilities, and stockholders' equity) of a company
2. **Income Statement** - reports of the revenue less the expenses during the accounting period
3. **Statement of Stockholders' Equity** - reports of the changes in each of the company's stockholders' equity accounts
4. **Statement of Cashflow** - reports of inflows and outflows

Financial Accounting Chapter Summaries Introduction

In the digital age, access to information has become easier than ever before. The ability to download Financial Accounting Chapter Summaries has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Financial Accounting Chapter Summaries has opened up a world of possibilities. Downloading Financial Accounting Chapter Summaries provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Financial Accounting Chapter Summaries has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Financial Accounting Chapter Summaries. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Financial Accounting Chapter Summaries. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Financial Accounting Chapter

Summaries, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Financial Accounting Chapter Summaries has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
