Systematic Reviews of Research in Basic Education in South Africa Felix Maringe,2021-04-09

Maringe ought to be commended for putting together an invaluable contribution to our understanding of research into a complex education system in South Africa This volume provides a useful foundation to the current state of education quality in South Africa including the impact of interventions It also brings to the fore challenges still facing education transformation

The evidence presented which taken together lays out a coherent view of how improvements could be made Albert Chanee Head of Planning Gauteng Department of Education For too long the weight of educational scholarship produced in South Africa has been limited to that simple and standard form called the literature review Now for the first time education researchers are provided with an African based text on the concepts and methods of conducting systematic reviews In this exceptional work of editorship Felix Maringe brings together some of the leading researchers on South African education to model and demonstrate how to review a significant body of research on a chosen topic which is adjudicated strictly on the basis of the quality and efficacy of the evidence in hand I have no doubt that this remarkable book will become a standard reference for educational researchers in and beyond the African continent It will also lift the quality of educational inquiry by equipping a new generation of scholars with the capacity for doing evidence based research that compels the attention of policymakers planners and practitioners alike Prof Jonathan Jansen Stellenbosch University

Musical Bows of Southern Africa Sazi Dlamini, 2020-12-10 Musical Bows of Southern Africa brings together current scholarly research that documents a rich regional diversity as well as cultural relationships in bow music knowledge and contemporary practices The book is framed as a critical appraisal of traditional ethnomusicological studies of the region complementing pioneering studies and charting contexts for a contemporary engagement with bow music as an exchangeable cultural practice Each contribution is written by an expert in the field and collectively demonstrates the multidisciplinary potential of bow music highlighting the several fields of knowledge that intersect with bow music including ethno organology applied ethnomusicology composition music literacy social development cultural economics history orality performance and language
