

HR Policys & Procedure

2.8 REHIRE

PURPOSE

To establish a uniform procedure to deal with former employees who wish to re-join the Student Center work force.

POLICY

Former employees with good work records shall be eligible for consideration for re-employment. Except for individuals who have left employment for a relatively short period of time, former employees who are rehired will be treated identically as new hires with no previous Student Center experience.

PROCEDURE

For the purpose of determining the eligibility date for Student Center paid benefits such as health care, vacation credit and sick leave, an employee rehired after one year of separation from employment shall be treated as a new employee. This is true even if the separation was due to a reduction in force. This provision does not apply to those employees who take an approved leave of absence. Further, this provision does not alter a rehired employee's vesting rights in any Student Center sponsored plan, such as a Pension Plan, regulated by ERISA.

Employees rehired with less than a one-year break in service may, at the discretion of the Student Center, have all past service restored. However, they will be required to go through all steps of the selection process.

The former employee's supervisor will normally be consulted prior to making an offer of re-employment
