## IPAT TEST REPORT

Well done for completing IPAT. This report provides you with valuable feedback on your performance.

### How well did you do?

Although organisations may use many descriptors for looking at your score (e.g. <sup>1</sup> score, stars, standard), the majority tend to look at percentiles. Percentiles tell you how well you have done in comparison to others in similar positions. For example, a graduate will be compared against a graduate group of individuals.

Your score was compared against a group of similar graduates, who took this test. You scored at the 75th percentile which means that you did better than 75% of this comparison group.
