Advanced Level Audit and Assurance Q&A 2019 A. C. A. ACA Simplified, 2019-04-02 Previously known as Advanced Level Audit Q A New 2019 edition based on the updated 2019 ICAEW Study Manual and including analysis of the audit and assurance elements of the 2014 to 2018 Advanced Level ICAEW past papers in both Corporate Reporting and Strategic Business Management. Fully updated for IFRS 9 and IFRS 15 Study Manual content. This Q A uses a self test methodology to reduce the very dense Advanced Level Audit Assurance syllabus into over 800 active questions making the topic more interesting and interactive to study. Helps to build your confidence and avoid becoming overwhelmed by the large number of learning points in full exam standard questions and in the vast and dense Study Manual. Instead our Q A tests one thing at once and therefore allows you to learn an issue properly before moving on. In this way you can build your knowledge effectively without trying to cover too much at the same time. Questions are split into 13 different topic areas and also include relevant past paper questions from the old Technical Integration papers for further practice. The introduction to the book analyses the papers set for the first 10 sittings of the Corporate Reporting and Strategic Business Management papers which were introduced with effect from July 2014. We also include relevant questions and detailed analysis of the mark allocation from Technical Integration past papers over the 2009-2013 period showing you which areas to prioritise. The Evolved ACA Audit syllabus is relatively unchanged from the previous Technical Integration syllabus so we believe that this analysis will remain valid for the Advanced Level. We also include extensive testing of the new Audit Focus sections which can be found hidden away at the end of the financial reporting chapters of the Corporate Reporting Study Manual easily missed when preparing for Audit. Combined with our companion Advanced Level Audit Assurance Exam Room Notes book this Q A should provide all that you need to pass Advanced Level questions involving Audit and Assurance. This means potentially all 3 questions in Corporate Reporting and vital marks also in at least one of your Strategic Business Management questions. Analysis of distribution of past paper marks in CR and SBM papers set from 2014 to 2018 to help you focus your revision on key areas. Contains questions on areas such as auditing standards, audit tests, specialist assurance areas such as internal auditing, environmental and social auditing, agreed upon procedures and groups. See www.acasimplified.com for more information on our Q A technique.
