

The background of the cover is a dark, textured charcoal grey. Overlaid on this are several intricate, glowing golden patterns. These patterns resemble complex fractals or quantum wave functions, with bright central points radiating outwards into delicate, lace-like structures. One large, prominent pattern is on the right side, while several smaller, more delicate ones are scattered along the left and bottom edges, creating a sense of depth and movement.

Life the Universe and Everything

Investigating the God Debate
in a Quantum Universe
